

Farm and Ranch Profit in Conservation

July 8, 2026

2:00 p.m. CDT
Virtual via Zoom
FREE WEBINAR

Questions: Call the SDBA at 800.726.7322 or email events@sdba.com

SEMINAR DESCRIPTION

Conservation programs are an often misunderstood, underused resource. The focus of conservation agencies and organizations in South Dakota is producer profit. This webinar will explain the conservation structure in South Dakota, where to start, beginning farmer/rancher benefits, what programs are available and how they help increase profit, and actual producer project run-through.

THE SEMINAR WILL COVER

- Introduction to Conservation
 - Understanding conservation structure in South Dakota
 - Federal agencies, State agencies and conservation organizations: How they all work together.
 - Where (or with whom) does a producer start?
 - Common myths about conservation practices/programs
 - Understanding mistrust that may exist with conservation
 - Programs
 - Conservation in SD is geared toward producer profitability on private land.
 - Common profitability drains conservation can address
 - Saline soils, overgrazing, nutrient overapplication, every acre profitability
 - Specific conservation programs
 - NRCS/FSA
 - SD GFP
 - Other organizations
- A Look at EQUIP and CSP
- Real World Example

SEMINAR PRESENTERS

Staff from Pheasants Forever as well as NRCS will walk attendees through various conservation programs and how they can impact the producer.

This is a free webinar; however, registration is required to ensure Zoom connectivity. Register online at www.sdba.com or return form to SDBA, PO Box 1081, Pierre, SD 57501 or email events@sdba.com.
