# Thumbprint Signature Program

All items listed below feature the Thumbprint Signature logo printed in red and black.

### Products:

- **Touch Pads** – the pads have a shelf life of 18 months or a minimum of 400 impressions. Banks should order enough for all tellers.
- **Teller Window Display** – banks should post these 3" x 6" tent-style signs at all teller windows as an additional reminder that they participate in the program.
- **Decals** – banks should post decals at all entrances and drive-up windows to let people know they are participating in the program and to warn potential criminals that their crimes will not go undetected.
- **Brochures** – these 3.5" x 7.5" brochures explain the mechanics of the program. Banks should use them as a public service announcement to all account holders and have plenty available for anyone who might have questions about the program. Sold in increments of 500.
