

2023 SERVICE PROJECT

The Fairy Godmother's Fund Part Deux

Bibbidi Bobbidi Boo, we think it's time to re-do! You may recall that we partnered with The Fairy Godmother's Fund in 2020 – the year we took Women in Banking digital. Because COVID impacted our attendance, because it's such a fabulous program and because there is an opportunity for matching funds this year, we felt it was a good time to re-connect.

The Fairy Godmother's Fund at the South Dakota Community Foundation provides the opportunity to perform good deeds to help South Dakota women in need turn their lives around. It provides flexible, accessible funds to improve the health and wellbeing of women with limited resources. Donations directly address immediate, short-term and critical needs not met by traditional funding options.
