So, you thought living through a 400-basis point rate shock in a year was a challenge? Just wait until you have to manage through a recession with elevated inflation and interest rates this year! The Federal Reserve and the government have laid the foundation for challenges as we move towards 2023 and 2024.

Join Jim as he walks us through what was, what is and what will be in 2023 and beyond. Nowak holds a B.S. degree in Finance from St. Cloud State University in Minnesota. Prior to joining UBB in early 2002, Jim gained eight years of experience in the fields of asset liability management and economic forecasting. During his banking career, he has worked for financial institutions as large as \$5 billion in assets. Jim developed and manages ALMEdge®, UBB's asset/ liability modeling product. This product is currently used more than 250 community banks in 14 states.

- 3:15 p.m. **EMERGING LEADERS: From Idea to Law and Everything In Between**
Liza Clark, Director of Government Relations and Economic Development, SD Board of Regents, Pierre, SD
Did you know that in Alabama, you can't dress up as a member of the clergy? In Gainesville, Georgia, it's illegal to eat fried chicken with silverware? Or in Indiana, no horse shall be driven or ridden at a speed in excess of 10 mph? According to linerlaw.com, these and other strange laws/ordinances still exist today. Does that make you wonder HOW? Or WHY?
Clark will walk us through just HOW ideas become laws. Who is involved, what is the process and how it all works.
Prior to joining the Board of Regents, Clark served on Governor Noem's and Governor Dugaard's executive committee as the Chief Financial Officer and the Commissioner of the Bureau of Finance and Management (BFM) for the State of South Dakota for five years. She also served on Governor Noem's Transition Team.
- 3:45 p.m. **EMERGING LEADERS: SDBA Board/Banker Panel**
The SDBA's mantra for 2022 has been engagement, engagement and more engagement. Engagement with the industry, engagement with the Association, engagement with each other... and more. This session will be an interactive opportunity for you to engage with several SDBA board and bank members to learn firsthand the how's and why's of effective engagement.
- 4:30 p.m. **EMERGING LEADERS: Happy Hour**
Here's your chance to practice what you just learned regarding engagement. Join SDBA staff and other emerging leaders in the Ramkota lounge for a chance to network prior to the legislative reception at 5:30.
