FFIEC Management Guidance Update!

Presenter: Chad Knutson, Secure Banking Solutions

This 60-minute program will be presented live on: December 4 10:00-11:00 a.m. Central Time
Price: \$129

Regulators continue to demonstrate activity around Information Technology Guidance to provide further assistance in addressing the growing cybersecurity threat. The FFIEC recently restructured the IT Management Booklet and integrated some new guidance. The newly updated booklet now focuses on the following topics:

- Governance
 - IT Governance
 - IT Responsibilities and Functions
- Risk Management
 - Operational Risk
- IT Risk Management
 - Governance
 - IT Governance
 - IT Responsibilities and Functions
 - Risk Management
 - Operational Risk
 - IT Risk Management

Join us for this hot topic overview of the new changes and how to begin incorporating them into your institution. We are likely to continue seeing updates from the FFIEC, and it's critical to understand the key messages and new compliance requirements.

Target Audience: CEOs, head of operations, risk officer, IT personnel, information security officer, members of the IT committee, Board of Directors

About the presenter...

Chad Knutson
