**Agencies Publish Statement on Noncitizen Borrowers Under ECOA.**

## November 2023 Regulatory Report

The Bureau of Consumer Financial Protection (CFPB) and the Department of Justice (DOJ) (collectively, the agencies) released a joint statement on fair lending and credit opportunities for noncitizen borrowers under the Equal Credit Opportunity Act (ECOA). ECOA does not expressly prohibit consideration of immigration status, and as explained further in the statement, a creditor may consider an applicant's immigration status when necessary to ascertain the creditor's rights regarding repayment. However, the agencies state that creditors should be aware that unnecessary or overbroad reliance on immigration status in the credit decisioning process, including when that reliance is based on bias, may run afoul of ECOA's antidiscrimination provisions, and could also violate other laws. The joint statement may be viewed at:

### **FEMA Seeks Comment on Revisions to LOMR and CLOMR Collections.**

FEMA seeks comment regarding an information collection titled, Revision to National Flood Insurance Program Maps: Application Forms for LOMRs and CLOMRs. The forms in the information collection are used to determine if the collected data will result in the modification of Base Flood Elevations (BFEs), Special Flood Hazard Area (SFHA), or floodway. Once the information is collected, it is submitted to FEMA for review and is subsequently included on the National Flood Insurance Program (NFIP) maps. The maps will be used for flood insurance determinations and for floodplain management purposes. Comments are due **12/26/2023**. ### **FinCEN Issues Final Rule on Use of Identifiers for Reporting Beneficial Ownership Information.**

The Financial Crimes Enforcement Network (FinCEN) issued a final rule specifying when and how entities required to report beneficial ownership information (BOI) to FinCEN may use a FinCEN identifier to report BOI of certain related entities. The final rule amends FinCEN's Beneficial Ownership Information Reporting Requirements Rule, which implements Section 6403 of the Corporate Transparency Act. ### **FinCEN Proposes Recordkeeping and Reporting of Transactions Involving Convertible Virtual Currency Mixing.**

FinCEN seeks comment regarding a proposal that would require domestic financial institutions and domestic financial agencies to implement certain recordkeeping and reporting requirements relating to transactions involving convertible virtual currency (CVC) mixing. FinCEN finds that reasonable grounds exist for concluding that transactions involving CVC mixing within or involving a jurisdiction outside the United States are a class of transactions that is of primary money laundering concern. CVC is a type of virtual currency that either has an equivalent value as currency or acts as a substitute for currency and is therefore a type of "value that substitutes for currency." The label applies to any particular type of CVC, such as digital currency, cryptocurrency, cryptoasset, and digital asset. Comments are due **01/22/2024**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-10-23/pdf/2023-23449.pdf>. *Federal Register*, Vol. 88, No. 203, 10/23/2023, 72701-72723.

### **Fiscal Service Amends Indorsement and Payment Rules of Treasury Checks.**

The Bureau of Fiscal Service (Fiscal Service) of the Department of the Treasury (Treasury) issued a final rule to amend its regulations that govern the payment of checks drawn on the United States Treasury (Treasury checks). The amendments coincide with the development of Fiscal Service's enhanced check post payment processing system, which will provide Treasury check return information to financial institutions more quickly. Financial institutions will receive the information through their existing communication channels with the Federal Reserve Banks, generally prior to the expiration of the time periods in which financial institutions must make Treasury check deposits available for withdrawal as prescribed by Regulation CC, Availability of Funds and Collection of Checks. Accordingly, Fiscal Service has amended its regulations so that, with certain exceptions, a financial institution will be liable if it pays a canceled Treasury check, also known as a payment over cancellation, without waiting to receive the return information that would enable the financial institution to know the check has been canceled. The final rule is effective **12/01/2023**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-11-01/pdf/2023-24039.pdf>. *Federal Register*, Vol. 88, No. 210, 11/01/2023, 74884-74890.

### **IRS Issues Rules Regarding Mortality Tables.**

- The Internal Revenue Service (IRS) issued a final rule which prescribes the mortality tables to be used for most defined benefit pension plans. The tables specify the probability of survival year-by-year for an individual based on age, gender, and other factors. The tables are used (together with other actuarial assumptions) to calculate the present value of a stream of expected future benefit payments for purposes of determining the minimum funding requirements for the plan. The mortality tables are also relevant for determining the minimum required amount of a lump-sum distribution from such a plan. The final rule is effective **10/20/2023**. The final rule applies to

valuation dates occurring on or after **01/01/2024**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-10-20/pdf/2023-23267.pdf>. *Federal Register*, Vol. 88, No. 202, 10/20/2023, 72357-72366.

- IRS issued a proposed rule to update the requirements that a plan sponsor of a single-employer defined benefit plan must meet to obtain IRS approval to use mortality tables specific to the plan in calculating present value for minimum funding purposes, as a substitute for the generally applicable mortality tables. Comments are due **12/19/2023**. ### **IRS Seeks Comment on Sale of Residence from Qualified Personal Residence Trust Information Collection.**

IRS seeks comment regarding an information collection titled, Sale of Residence from Qualified Personal Residence Trust. Internal Revenue Code section 2702(a)(3) provides special favorable valuation rules for valuing the gift of a personal residence trust. Regulation section 25.2702-5(a)(2) provides that if the trust fails to comply with the requirements contained in the regulations, the trust will be treated as complying if a statement is attached to the gift tax return reporting the gift stating that a proceeding has been commenced to reform the instrument to comply with the requirements of the regulations. Comments are due **12/11/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-10-12/pdf/2023-22483.pdf>. *Federal Register*, Vol. 88, No. 196, 10/12/2023, 70697.

### **FHFA Seeks Comment on FHLB Capital Stock Information Collection.**

The Federal Housing Finance Agency (FHFA) seeks comment regarding an information collection titled, Federal Home Loan Bank Capital Stock. The FHFA system consists of eleven regional Federal Home Loan Banks (FHLBs) and the Office of Finance (a joint office that issues and services FHLBs' debt securities). FHLBs are wholesale financial institutions, organized under authority of the Federal Home Loan Bank Act to serve the public interest by enhancing the availability of residential housing finance and community lending credit through their member institutions and, to a limited extent, through certain eligible nonmembers. Each FHLB is structured as a regional cooperative that is owned and controlled by member institutions located within its district, which are also its primary customers. An institution that is eligible for membership in a particular FHLB must purchase and hold a prescribed minimum amount of FHLB's capital stock in order to become and remain a member of that FHLB. The information collection is used in connection with the requirements under FHFA's regulations on Bank Capital Requirements, Capital Stock, and Capital Plans under 12 CFR part 1277. Comments are due **11/20/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-10-19/pdf/2023-23067.pdf>. *Federal Register*, Vol. 88, No. 201, 10/19/2023, 72078-72080.

## November 2023 Regulatory Report

### **SBA Issues Final Rule on 504 Loan Program Debt Refinancing.**

The Small Business Administration (SBA) issued a final rule to adopt, with changes, the interim final rule published in the *Federal Register* on **07/29/2021**. The interim final rule implemented section 328 of the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act, which modified the requirements for refinancing debt in the 504 Loan Program. The modifications increase the amount of existing indebtedness that may be refinanced for 504 debt refinancing involving expansions. For 504 debt refinancing not involving expansions, the modifications remove two limitations on the program, reinstate an alternate job retention standard for the refinancing project, revise the definition of "qualified debt," and remove the prohibition against Certified Development Companies participating in the Premier Certified Lenders Program using their delegated authority to make the loans. The final rule is effective **11/13/2023**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-10-12/pdf/2023-22169.pdf>. *Federal Register*, Vol. 88, No. 196, 10/12/2023, 70580-70586.

### **SBA Updates Small Business Development Centers Program.**

SBA issued a final rule to update its regulations for the Small Business Development Centers Program. The final rule updates and clarifies the regulations, making them more efficient, effective, transparent, and comprehensive, and puts them in alignment with current SBA policy and guidance. The final rule also includes policy and procedural changes identified by SBA as necessary to preserve the integrity and legislative intent of the program. Finally, the final rule incorporates updates to conform with administrative requirements, cost principles, and audit requirements for federal awards. The final rule is effective **12/07/2023**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-11-07/pdf/2023-22164.pdf>. *Federal Register*, Vol. 88, No. 214, 11/07/2023, 76625-76652.

### **FSA Issued NOFA on Emergency Relief Program 2022.**

The Farm Service Agency (FSA) issued a notice of funding availability (NOFA) for Emergency Relief Program (ERP) 2022, which will provide payments to eligible crop producers for losses due to qualifying disaster events including wildfires, hurricanes, floods, derechos, excessive heat, tornadoes, winter storms, freeze (including a polar vortex), smoke exposure, excessive moisture, qualifying drought, and related conditions that occurred in calendar year 2022. ERP 2022 will be administered through 2 tracks. Track 1 will assist eligible crop producers who received indemnities for eligible crop or tree losses through certain federal crop insurance policies or payments for crop losses through the Noninsured Crop Disaster Assistance Program. Track 2 will assist eligible crop producers for other eligible crop and tree losses through a revenue-based approach. See the NOFA for program information, application details, and deadlines. ### **FCIC Clarifies Cancellation of Crop Insurance Policy.**

The Federal Crop Insurance Corporation (FCIC) made a technical amendment to its regulations by clarifying that an Approved Insurance Provider (AIP) may only cancel a crop insurance policy with express written consent from FCIC. This requirement is already binding in the Standard Reinsurance Agreement, which establishes the terms under which FCIC provides reinsurance and subsidies on eligible crop insurance policies sold by AIPs. By adding the same conditions to the regulation as are in the policy between the AIP and the producer, the final rule provides greater transparency to producers about the existing rights in the policy. The final rule is effective **11/30/2023**. See the final rule for dates of applicability. FCIC will consider comments and may conduct additional rulemaking in the future based on comments received. Comments are due **12/18/2023**. The Rural Business-Cooperative Service (RBC), Rural Utilities Service (RUS), and Rural Housing Service (RHS) (collectively, the agencies) issued a final rule to confirm the special authority which enables funding of broadband and smart utility facilities across select rural development programs. The agencies published a final rule in the *Federal Register* on **09/15/2020**, to establish the special authority authorized by Section 6210 of the Agriculture Improvement Act, which is meant to assist rural families and small businesses in gaining access to broadband service by permitting recipients of loans, grants, and loan guarantees from Rural Development to construct broadband infrastructure in areas not served by the minimum acceptable level of broadband service. The 2020 final rule described the procedures by which the agencies would consider projects eligible for special broadband authority. Through the final rule, the agencies have confirmed the 2020 final rule as it was published and provided responses to the comments received regarding the 2020 final rule. The final rule is effective **10/19/2023**. ### **RHS Proposes Changes to Insurance Requirements of Multi-Family Housing Direct Loan and Grant Programs.**

The Rural Housing Service (RHS) proposed to amend its regulation to implement changes related to insurance requirements under the Multi-Family Housing Direct Loan and Grant programs. RHS operates the programs by providing direct loans or grants to affordable multi-family rental housing for low income, elderly, disabled individuals and families, or domestic farm workers in eligible rural areas. As required by RHS under 7 CFR part 3560, borrowers are required to purchase and maintain property insurance on all buildings included as security for an RHS loan, to avoid a non-monetary loan default. The intent of the proposed rule is to align Rural Development insurance coverage types, amounts, and deductibles with affordable housing industry standards to simplify the coverage amounts, deductible limits, and improve the customer experience with updated and understandable insurance requirements. Comments are due **12/26/2023**. Further, the new rule requires that an RNSA make certain information it receives, along with daily information pertaining to the aggregate transaction activity and distribution of loan rates for each reportable security, available to the public. The final rule is effective **01/02/2024**. See section VIII of the final rule for mandatory compliance dates. SEC has also expanded the timeframe within a given business day by which Schedules 13D and 13G must be filed, and separately requiring that Schedule 13D and 13G filings be made using a structured, machine-readable data language. Further, SEC discusses how, under the current rules, an investor's use of a cash-settled derivative security may result in the person being treated as a beneficial owner of the class of the reference equity security. SEC has also provided guidance on the application of the current legal standard found in section 13(d)(3) and 13(g)(3) of the Securities Exchange Act to certain common types of shareholder engagement activities. Finally, SEC has also made certain technical revisions. The final rule is effective **02/05/2024**. See section II.G of the final rule for mandatory compliance dates. Accordingly, SEC is not publishing a list of rules to be reviewed pursuant to the RFA during the succeeding 12 months. ### **NLRB Issues Standards for Determining Joint Employer Status.**

The National Labor Relations Board (NLRB) issued a final rule to establish a new standard for determining whether two employers, as defined in the National Labor Relations Act (Act), are joint employers of particular employees within the meaning of the Act. NLRB believes that the final rule more explicitly grounds the joint-employer standard in established common-law NLRB principles and provides guidance to parties covered by the Act regarding their rights and responsibilities when more than one statutory employer possesses the authority to control or exercises the power to control particular employees' essential terms and conditions of employment. Under the final rule, an entity may be considered a joint employer of another employer's employees if the two share or codetermine the employees' essential terms and conditions of employment. The final rule rescinds and replaces a final rule titled, Joint Employer Status Under the National Labor Relations Act, which was published on **02/26/2020**, and took effect on **04/27/2020**. The final rule is effective **12/26/2023**. ### **NCUA Proposes Revisions to Fair Hiring in Banking Act Regulation.**

NCUA issued a proposed rule to incorporate its "Second Chance" Interpretive Ruling and Policy Statement 19-1 and the Fair Hiring in Banking Act (FHBA) into its regulations. The Federal Credit Union Act prohibits, except with NCUA's prior written consent, any person who has been convicted of certain criminal offenses involving dishonesty or breach of trust (a covered offense), or who has entered into a pretrial diversion or similar program in connection with a prosecution for such offense (program entry), from participating in the conduct of the affairs of an insured credit union. The proposed rule would address, among other topics, the individuals and types of offenses covered by FHBA section 205(d), as well as the NCUA's procedures for reviewing a consent application. The proposed rule would add new part 752 to Chapter VII of Title 12 of the Code of Federal Regulations. Comments are due **01/08/2024**.
