#### **Agencies Issue Joint Report on Differences and Capital Standards.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC), (collectively, the agencies) have prepared a report pursuant to section 37(c) of the Federal Deposit Insurance Act. Section 37(c) requires the agencies to jointly submit an annual report to the Committee on Financial Services of the U.S. House of Representatives and to the Committee on Banking, Housing, and Urban Affairs of the U.S. Senate describing differences among the accounting and capital standards used by the agencies for insured depository institutions. Section 37(c) requires that the report be published in the *Federal Register*. The agencies have not identified any material differences among the agencies' accounting and capital standards applicable to the institutions they regulate and supervise.

The report was published **01/30/2023**. The report may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-30/pdf/2023-01697.pdf>. *Federal Register*, Vol. 88, No. 19, 01/30/2023, 5960-5962.

#### **Agencies Issue Guidance Regarding Lower HMDA Reporting Threshold for Closed-end Mortgage Loans.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC) (collectively, the agencies) issued guidance regarding the recently lowered reporting threshold for closed-end mortgage loans under the Home Mortgage Disclosure Act (HMDA), Regulation C. As previously reported in this publication, the Bureau of Consumer Financial Protection (CFPB) lowered the reporting threshold due to an action by the United States District Court for the District of Columbia which vacated a 2020 HMDA-related rule that had increased the loan-volume reporting threshold for closed-end mortgage loans. As a result of the court's order, the threshold for reporting data about closed-end mortgage loans was lowered to 25, a threshold established by a 2015 HMDA-related rule. A technical amendment was made to the Code of Federal Regulations to reflect the lower reporting threshold near the end of 2022. The agencies issued separate guidance to express how each will conduct examinations of banks affected by the change in threshold. The guidance may be viewed at: <https://www.federalreserve.gov/supervisionreg/caletters/caltr2301.htm>; <https://www.fdic.gov/news/financial-institution-letters/2023/fil23006.html>; and <https://www.occ.gov/news-issuances/bulletins/2023/bulletin-2023-5.html>.

#### **CFPB Publishes Unlawful Negative Option Marketing Practices Circular.**

The Bureau of Consumer Financial Protection (CFPB) published in the *Federal Register* its Consumer Financial Protection Circular 2023-01, titled Unlawful Negative Option Marketing Practices. In the circular, CFPB responds to the question, Can persons that engage in negative option marketing practices violate

the prohibition on unfair, deceptive, or abusive acts or practices in the Consumer Financial Protection Act (CFPA)? The circular was released on CFPB's website on **01/19/2023**. The circular may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-30/pdf/2023-01560.pdf>. *Federal Register*, Vol. 88, No. 19, 01/30/2023, 5727-5730.

#### **CFPB Proposes Registry of Nonbank Covered Persons.**

CFPB issued a proposed rule to require certain nonbank covered person entities (with exclusions for insured depository institutions, insured credit unions, related persons, states, certain other entities, and natural persons) that are under certain final public orders obtained or issued by a federal, state, or local agency in connection with the offering or provision of a consumer financial product or service to report the existence of such orders to a CFPB registry. CFPB has proposed to include all final public written orders and judgments (including consent and stipulated orders and judgments) obtained or issued by CFPB or any government agency (federal, state, or local) for violation of certain consumer protection laws. CFPB has also proposed to require certain supervised nonbanks to submit annual written statements regarding compliance with each underlying order, signed by an attesting executive who has knowledge of the entity's relevant systems and procedures for achieving compliance and control over the entity's compliance efforts. Comments are due **03/31/2023**. The proposed rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2023-01-30/pdf/2022-27385.pdf>. *Federal Register*, Vol. 88, No. 19, 01/30/2023, 6088-6142.

#### **CFPB Issues Proposed Rule on Registry of Supervised Nonbanks That Use Form Contracts.**

CFPB monitors markets for consumer financial products and services for risks to consumers to support the various statutory functions of CFPB, and conducts a risk-based nonbank supervision program for the purpose of assessing compliance with federal consumer financial law. CFPB proposed a rule to require that nonbanks subject to its supervisory authority, with limited exceptions, register each year in a nonbank registration system established by CFPB information about their use of certain terms and conditions in form contracts for consumer financial products and services that pose risks to consumers. In particular, the nonbanks would be required to register if they use specific terms and conditions defined in the proposed rule that attempt to waive consumers' legal protections, limit how consumers enforce their rights, or restrict consumers' ability to file complaints or post reviews. CFPB has proposed to publish information identifying registrants and their use of the terms and conditions. Comments are due **04/03/2023**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-02-01/pdf/2023-00704.pdf>. *Federal Register*, Vol. 88, No. 21, 02/01/2023, 6906-6969.

#### **CFPB Requests Information Regarding Consumer Credit Card Market.**

CFPB is required by the Credit Card Accountability Responsibility and Disclosure Act to conduct a review of the consumer credit card market, within the limits of its existing resources available for reporting purposes. In connection with conducting the review, CFPB seeks information about a number of aspects of the consumer credit card market every two years. CFPB seeks comments on the experiences of consumers and credit card issuers in the credit card market and on the overall health of the credit card market and the following topics: Terms of Credit Card Agreements and the Practices of Credit Card Issuers; Effectiveness of Disclosure of Terms, Fees, and Other

Expenses of Credit Card Plans; Adequacy of Protections Against Unfair, Deceptive, or Abusive Acts or Practices Relating to Credit Card Plans; Cost and Availability of Consumer Credit Cards; Safety and Soundness of Credit Card Issuers; Use of Risk-Based Pricing for Consumer Credit Cards; and Consumer Credit Card Product Innovation and Competition. Comments are due **04/24/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-27/pdf/2023-01722.pdf>. *Federal Register*, Vol. 88, No. 18, 01/27/2023, 5313-5315.

#### **CFPB Seeks Comment on Information Collections.**

- CFPB seeks comment regarding an information collection titled, Generic Information Collection Plan for Surveys Using the Consumer Credit Panel. Under the Dodd-Frank Act, CFPB is charged with researching, analyzing, and reporting on topics relating to CFPB's mission, including developments in markets for consumer financial products and services, consumer awareness, and consumer behavior. CFPB seeks approval for a generic information collection plan for the types of surveys in the information collection which is used to conduct research in areas related to consumer finance including research to monitor developments in consumers' financial situations, related changes in their use of financial products, and the impacts that the decisions have on their balance sheets. All research under the plan will be for general, formative, and informational research on consumer financial markets and consumers' use of financial products and will not directly provide the basis for specific policymaking at CFPB. Comments are due **03/13/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-11/pdf/2023-00314.pdf>.

*Federal Register*, Vol. 88, No. 7, 01/11/2023, 1564.

- CFPB seeks comment regarding an information collection titled, Truth in Lending Act, Regulation Z. The Truth in Lending Act (TILA) was enacted to foster comparison credit shopping and informed credit decision making by requiring accurate disclosure of the costs and terms of credit to consumers and to protect consumers against inaccurate and unfair credit billing practices. Creditors are subject to disclosure and other requirements that apply to open-end credit and closed-end credit. The information collection is used in connection with the requirements of TILA and Regulation Z. Comments are due **03/13/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-11/pdf/2023-00310.pdf>. *Federal Register*, Vol. 88, No. 7, 01/11/2023, 1566.
- CFPB seeks comment regarding an information collection titled, Real Estate Settlement Procedures Act (RESPA), Regulation X. Regulation X contains information collections in the form of various disclosure and recordkeeping requirements. Consumers use the disclosures required by RESPA and Regulation X to inform their choice of settlement service providers, review the final terms of a settlement, understand whom to contact about questions concerning their mortgage loan, and identify/protect themselves against inaccurate or questionable loan servicing practices. The information collection is used in connection with the recordkeeping requirements of RESPA and Regulation X. Comments are due **04/10/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-02-08/pdf/2023-02646.pdf>.

02/08/2023, 8262.

- CFPB seeks comment regarding an information collection titled, Terms of Credit Card Plans Survey. CFPB intakes different forms of credit card data from credit card issuers, as required by the Truth in Lending Act and Regulation Z. CFPB collects data on credit card pricing and availability from a sample of at least 150 financial institutions that offer credit cards. The data enables CFPB to present information on terms of credit card plans. The data collection also enables CFPB to provide Congress and consumers with a centralized and searchable repository for consumer and college credit card agreements and information regarding the arrangements between financial institutions and institutions of higher education. Comments are due **03/13/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-02-10/pdf/2023-02865.pdf>.

#### **FRB Revises Regulation A.**

- The Board of Governors of the Federal Reserve System (FRB) issued a final rule to adopt amendments to Regulation A to reflect FRB's approval of an increase in the rate for primary credit at each Federal Reserve Bank. The Federal Reserve Banks make primary and secondary credit available to depository institutions as a backup source of funding on a short-term basis, usually overnight. The primary and secondary credit rates are the interest rates that the twelve Federal Reserve Banks charge for extensions of credit under the programs. In accordance with the Federal Reserve Act, the primary and secondary credit rates are established by the boards of directors of the Federal Reserve Banks, subject to review and determination of FRB. On **12/14/2022**,

FRB voted to approve a **0.50** percentage point increase in the primary credit rate, thereby increasing the primary credit rate from **4.00** percent to **4.50** percent. In addition, FRB had previously approved the renewal of the secondary credit rate formula, the primary credit rate plus 50 basis points. Under the formula, the secondary credit rate increased by **0.50** percentage points as a result of FRB's primary credit rate action, thereby increasing the secondary credit rate from **4.50** percent to **5.00** percent. The final rule is effective **01/13/2023**. The rate changes for primary and secondary credit were applicable **12/15/2022**. The final rule may be viewed at:

#### **FRB Adopts LIBOR Act.**

FRB issued a final rule to implement the Adjustable Interest Rate (LIBOR) Act. The final rule establishes benchmark replacements for contracts governed by U.S. law that reference certain tenors of U.S. dollar LIBOR (the overnight and one-, three-, six-, and 12-month tenors) and that do not have terms that provide for the use of a clearly defined and practicable replacement benchmark rate following the first London banking day after **06/30/2023**. #### **FRB Issues Policy Statement on Federal Reserve Act.**

FRB issued a policy statement interpreting section 9(13) of the Federal Reserve Act. FRB also established a rebuttable presumption that it will exercise its discretion under Section 9(13) to limit state member banks to engaging as principal in only those activities that are permissible for national banks, unless those activities are permissible for state banks by federal statute or under part 362 of the Federal Deposit Insurance Corporation's regulations. The policy statement also reiterates to state member banks that legal permissibility is a necessary, but not sufficient, condition to establish that a state member bank may engage in a particular

activity. A state member bank must at all times conduct its business and exercise its powers with due regard to safety and soundness. The Supplementary Information section in the final rule provides examples of how the policy statement would be applied to certain crypto-asset-related activities. The final rule is effective **02/07/2023**. Generally, a bank holding company (BHC) may, directly or through a subsidiary, engage in data processing activities if, among other requirements, the company or subsidiary earns not more than 49 percent of its data processing revenue from nonfinancial data processing activities. However, FRB has stated that a BHC may file with FRB a request for permission to administer the 49 percent revenue limit on a business-line or multiple-entity basis, rather than on a company-by-company basis. The information collection consists of the filing for prior FRB approval. Comments are due **03/28/2023**. ### **FDIC Seeks Comment on Lending Standards, Foreign Banking and Investment, and Receivership Information Collections.**

FDIC seeks comment regarding three information collections. The first collection in the notice is titled, Real Estate Lending Standards. Section 1828(o) of the Federal Deposit Insurance (FDI) Act requires each federal banking agency to adopt uniform regulations prescribing real estate lending standards. The information collection relates to the real estate lending standards. The second collection in the notice is titled, Foreign Banking and Investment by Insured State Nonmember Banks. The FDI Act requires state nonmember banks to obtain FDIC consent to establish or operate a foreign branch, or to acquire and hold, directly or indirectly, stock or other evidence of ownership in any foreign bank or other entity. The information collection is a direct consequence of the statutory requirements. The third collection in the notice is titled, Treatment by FDIC as Conservator or Receiver of Financial Assets Transferred by an Insured Depository Institution in Connection With a Securitization or Participation after September 30, 2010. Part 360.6 of FDIC's regulations sets forth certain conditions that must be satisfied for a securitization transaction sponsored by an insured depository institution to be eligible

for special treatment in the event that FDIC is appointed receiver for the sponsor. FDIC has re-categorized the information collection requirements in 12 CFR part 360.6 into five distinct information collections as listed in the notice. Comments are due **04/11/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-02-10/pdf/2023-02848.pdf>. *Federal Register*, Vol. 88, No. 28, 02/10/2023, 8860-8862.

### **OCC Seeks Comment on Information Collections.**

- The Office of the Comptroller of the Currency (OCC) seeks comment regarding an information collection titled, Securities Offering Disclosure Rules. Twelve CFR part 16 governs the offer and sale of securities by national banks and federal savings associations. The requirements in part 16 enable OCC to perform its responsibility to ensure that investors have information about the condition of the institution, the reasons for raising new capital, and the terms of the offering. Part 16 requires that securities offering disclosures of national banks and federal savings associations be generally consistent with similar Securities and Exchange Commission (SEC) disclosure requirements. The principal collections of information in part 16 are: Registration Statement and Prospectus Requirements; Sales of Non-Convertible Debt; Nonpublic Offerings; Form and Content; and Filing Requirements and Inspection of Documents. Comments are due **03/20/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-18/pdf/2023-00877.pdf>. *Federal Register*, Vol. 88, No. 11, 01/18/2023, 2999-3001.
- OCC seeks comment regarding an information collection titled, Recordkeeping Requirements for

Securities Transactions. The information collection requirements in 12 CFR parts 12 and 151 are designed to ensure that national banks and federal savings associations comply with banking and securities laws and improve the protections afforded to persons who purchase and sell securities through the financial institutions. Parts 12 and 151 establish recordkeeping and confirmation requirements applicable to certain securities transactions effected by national banks and federal savings associations for customers. OCC uses the required information in the course of its examinations to evaluate, among other things, an institution's compliance with the antifraud provisions of the federal securities laws. Comments are due **03/06/2023**. The notice may be viewed at:

- OCC seeks comment regarding an information collection titled, Company-Run Annual Stress Test Reporting Template and Documentation for Covered Institutions With Total Consolidated Assets of \$250 Billion or More Under the Dodd-Frank Act. OCC uses the data collected to assess the reasonableness of the stress test results of covered institutions and to provide forward-looking information to OCC regarding a covered institution's capital adequacy. OCC also may use the results of the stress tests to determine whether additional analytical techniques and exercises could be appropriate to identify, measure, and monitor risks at the covered institution. #### **HUD Issues Regulatory Waiver Requests Granted for Third Quarter 2022.**

The Department of Housing and Urban Development (HUD), as required by Section 106 of the Department of Housing and Urban Development Reform Act, publishes quarterly *Federal Register* notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous *Federal Register* notice. The notice contains a list of regulatory waivers granted by HUD during the period beginning **07/01/2022**, and ending **09/30/2022**. The notice may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2023-02-10/pdf/2023-02843.pdf>. *Federal Register*, Vol. 88, No. 28, 02/10/2023, 8886-8903.

#### **HUD Issues Proposed Rule on Certification of Tribal Housing Counselors.**

HUD issued a proposed rule to provide an alternative regulatory standard for compliance with the Dodd-Frank Act's counselor certification requirement that recognizes Tribal sovereignty and self-determination, and accounts for the unique status of Tribal land and housing programs in Indian Country. HUD's Housing Counseling Program provides, through HUD-approved counseling agencies and state housing finance agencies, counseling to individuals that seek information about financing, maintaining, renting, or owning a home. The Dodd-Frank Act amended the Housing and Urban Development Act to improve the effectiveness of the housing counseling program by, among other things, requiring that entities and individual counselors be certified by HUD as competent to provide such counseling services. After consulting with Tribes, HUD has proposed a housing counselor certification option for employees of Tribes, Tribally Designated Housing Entities, and other Tribal entities conducting

housing counseling required or provided in connection with the Indian Housing Block Grant and the Indian Community Development Block Grant programs. Comments are due **03/27/2023**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-26/pdf/2023-01345.pdf>. *Federal Register*, Vol. 88, No. 17, 01/26/2023, 4923-4928.

#### **HUD Issues Proposed Rule on Fair Housing.**

HUD issued a proposed rule to implement the obligation to affirmatively further the purposes and policies of the Fair Housing Act (FHA), which is title VIII of the Civil Rights Act, with respect to certain recipients of HUD funds. The FHA not only prohibits discrimination, but also directs HUD to ensure its program participants will proactively take meaningful actions to overcome patterns of segregation, promote fair housing choice, eliminate disparities in housing-related opportunities, and foster inclusive communities that are free from discrimination. The proposed rule builds on the steps previously taken in HUD's 2015 Affirmatively Furthering Fair Housing (AFFH) final rule to implement the AFFH obligation and ensure that federal funding is used in a systematic way to further the policies and goals of FHA. The proposed rule retains much of the 2015 AFFH rule's core planning process, with certain improvements such as a more robust community engagement requirement, a streamlined required analysis, greater transparency, and an increased emphasis on goal setting and measuring progress. Comments are due **04/10/2023**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-02-09/pdf/2023-00625.pdf>. *Federal Register*, Vol. 88, No. 27, 02/09/2023, 8516-8590.

#### **HUD Seeks Comment on Ginnie Mae Digital Collateral Program Information Collection.**

HUD seeks comment regarding an information collection titled, Ginnie Mae Digital Collateral Program. Ginnie Mae permits the securitization of mortgage loans where the note is an eligible eNote. The forms in the information collection are new forms that are necessary due to the unique requirements of managing eNotes and eMortgages. The collection permits Ginnie Mae to verify that: elssuers and eMortgages have the specialized knowledge and experience to participate; and elssuers and eCustodians have the technological capability to service eMortgages and safeguard eMortgage documents. Ginnie Mae can also verify the name and location of the entities responsible for the various Ginnie Mae accounts and eMortgage documents, and those entities that are responsible for servicing the eMortgages that back the Ginnie Mae pools. Ginnie Mae uses the information collected to mitigate risk and evaluate its business operations, procedures and programs, and assist lenders in processing borrower requests more efficiently. Ginnie Mae also requires the information collection to ensure that there are no deficiencies, which could affect the pass through of securities to its investors. Form instructions now address subservicing by the elssuer Applicant. Comments are due **03/27/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-26/pdf/2023-01495.pdf>. *Federal Register*, Vol. 88, No. 17, 01/26/2023, 5034-5035.

#### **HUD Seeks Comment on Lender Qualifications for MAP Guide.**

HUD seeks comment regarding an information collection titled, Lender Qualifications for Multifamily Accelerated Processing (MAP) Guide. MAP is designed to establish uniform national standards for Federal Housing Administration- (FHA-) approved lenders to prepare, process, and submit loan applications for FHA multifamily mortgage insurance. The MAP Guide provides, in one volume with appendices, guidance for

HUD staff, lenders, third party consultants, borrowers, and other industry participants. HUD has proposed to amend the MAP Guide by deleting appendices and substituting a new appendix. Comments are due **02/27/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2023-01-27/pdf/2023-01622.pdf>. *Federal Register*, Vol. 88, No. 18, 01/27/2023, 5371.
