## **Agencies Issue Final Rule on Quality Control Standards for Automated Valuation Models.**

The Bureau of Consumer Financial Protection (CFPB), Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), Office of the Comptroller of the Currency (OCC), Federal Housing Finance Agency (FHFA), and National Credit Union Administration (NCUA) (collectively, the agencies) issued a final rule to implement the quality control standards mandated by the Dodd-Frank Act for the use of automated valuation models (AVMs) by mortgage originators and secondary market issuers in determining the collateral worth of a mortgage secured by a consumer's principal dwelling. Under the final rule, institutions that engage in certain credit decisions or securitization determinations must adopt policies, practices, procedures, and control systems to ensure that AVMs used to determine the value of mortgage collateral adhere to quality control standards designed to ensure a high level of confidence in the estimates produced by AVMs, protect against the manipulation of data, seek to avoid conflicts of interest, require random sample testing and reviews, and comply with applicable nondiscrimination laws. The final rule is effective **10/01/2025**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-08-07/pdf/2024-16197.pdf>. *Federal Register*, Vol. 89, No. 152, 08/07/2024, 64538-64580.

## **Agencies Issue Final Reconsideration of Value Guidance.**

The Bureau of Consumer Financial Protection (CFPB), Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), Office of the Comptroller of the Currency (OCC), and National Credit Union Administration (NCUA) (collectively, the agencies) issued final guidance that highlights risks associated with deficient residential real estate valuations and describes how financial institutions may incorporate reconsiderations of value (ROV) processes and controls into established risk management functions. The final guidance also provides examples of policies and procedures that a financial institution may choose to implement. The final guidance is final **07/26/2024**. The final guidance may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-07-26/pdf/2024-16200.pdf>. *Federal Register*, Vol. 89, No. 144, 07/26/2024, 60549-60558.

## **Agencies to Commence Drafting Insurance Capital Standard Report.**

The Board of Governors of the Federal Reserve System (FRB) and the Federal Insurance Office of the Department of the Treasury (Treasury) (collectively, the agencies) announce they intend to commence drafting a report to Congress on the impact on consumers and markets in the United States before supporting or consenting to the adoption of any final international insurance capital standard. The International Association of Insurance Supervisors (IAIS) is developing the Insurance Capital Standard (ICS) as a consolidated group-wide capital standard for internationally active insurance groups, for the purposes of creating a common language for supervisory

discussions of group solvency and enhancing global convergence among group capital standards. The IAIS is also assessing whether the Aggregation Method under development by the United States provides comparable outcomes to ICS, and if so, will be considered an outcome-equivalent approach for implementation of ICS as a prescribed capital requirement. The agencies intend to commence drafting the report after **07/12/2024**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-07-12/pdf/2024-15348.pdf>. *Federal Register*, Vol. 89, No. 134, 07/12/2024, 57154.

### **Agencies Seek Comment on AML/CFT Proposal.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), Office of the Comptroller of the Currency (OCC), and National Credit Union Administration (NCUA) (collectively, the agencies) seek comment regarding a proposed rule that would amend the requirements that each agency has issued for its supervised banks (currently, Bank Secrecy Act (BSA) compliance programs) to establish, implement, and maintain effective, risk-based, and reasonably designed Anti-Money Laundering (AML) and Countering the Financing of Terrorism (CFT) programs. The amendments are intended to align with changes that are being concurrently proposed by the Financial Crimes Enforcement Network (FinCEN) as a result of the Anti-Money Laundering Act (AML Act). The proposed rule incorporates a risk assessment process in the AML/CFT program rules that requires, among other things, consideration of

national AML/CFT priorities published by FinCEN. The proposed rule also would add customer due diligence requirements to reflect prior amendments to FinCEN's rule and, concurrently with FinCEN, propose clarifying and other amendments to codify longstanding supervisory expectations and conform to AML Act changes. Comments are due **10/08/2024**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-08-09/pdf/2024-16546.pdf>. *Federal Register*, Vol. 89, No. 154, 08/09/2024, 65242-65264.

### **Agencies Seek Comment on Bank-Fintech Arrangements.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC) (collectively, the agencies) have observed and reviewed arrangements between banks and financial technology (fintech) companies. The agencies support responsible innovation and banks pursuing bank-fintech arrangements in a manner consistent with safe and sound banking practices, and with applicable laws and regulations, including consumer protection requirements and those addressing financial crimes. Bank-fintech arrangements can provide benefits; however, supervisory experience has highlighted potential risks with bank-fintech arrangements. The agencies seek comment regarding the nature of bank-fintech arrangements, effective risk management practices regarding bank-fintech arrangements, and the implications of such arrangements, including whether enhancements to existing supervisory guidance may be helpful in addressing risks associated with

the arrangements. Comments are due **09/30/2024**. The notice may be viewed at:

### **HUD Issues Final Rule for Engagement with Mortgagors in Default.**

The Department of the Housing and Urban Development (HUD) issued a final rule to modernize engagement with

mortgagors in defaults. HUD's regulations require mortgagees of Federal Housing Administration (FHA)-insured single family mortgages to meet in person, or make a reasonable effort to meet in person, with mortgagors who are in default on their mortgage payments. The final rule amends HUD's regulations to better align with advances in electronic communication technology and mortgagor engagement preferences, while preserving consumer protections. Specifically, the final rule revises HUD's in-person, face-to-face meeting requirements by permitting mortgagees to utilize methods of communication most likely to receive a response from the mortgagor, including remote communication methods, to meet with mortgagors who are in default on their mortgage payments. The final rule also expands the meeting requirement to all mortgagors in default, including mortgagors who do not reside in the mortgaged property and those with a mortgaged property not within 200 miles of their mortgagee. The final rule is effective **01/01/2025**. The final rule may be viewed at:

#### **HUD Issues Debenture Interest Rates.**

HUD announced changes in the interest rates to be paid on debentures issued with respect to a loan or mortgage insured by the Federal Housing Administration (FHA) under the provisions of the National Housing Act. The interest rate for debentures issued under Section 221(g)(4) of the Act during the 6-month period beginning **07/01/2024**, is 4 ½

percent. The interest rate for debentures issued under any other provision of the Act is the rate in effect on the date that the commitment to insure the loan or mortgage was issued, or the date that the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. The interest rate for debentures issued under the other provisions with respect to a loan or mortgage committed or endorsed during the 6-month period beginning **07/01/2024**, is 4 ¾ percent. #### **HUD Reinstates Regulation Waiver Policy.**

HUD issued a notice which reiterates its statement of policy concerning the procedures that govern the waiver of regulations and directives issued by HUD. The policy was first announced by notice published in 1991, following enactment of the Department of Housing and Urban Development Reform Act. In 2001, HUD published a notice that clarified how the procedures are implemented during a period of Administration transition. In 2008, HUD published a notice to consolidate and update the 1991 and 2001 notices. This notice updates information to reflect current HUD operations and procedures. The reinstatement is applicable **07/29/2024**. The notice may be viewed at:

## **HUD Issues Proposed Rule for FHA Single Family Sale Program.**

HUD issued a proposed rule for the Federal Housing Administration (FHA) Single Family Sale Program (Program). In the Program, eligible single family mortgage loans insured by FHA are assigned to HUD in exchange for claim payments, and mortgage notes are then sold, without FHA insurance, to qualified purchasers in a manner that seeks to maximize recoveries and strengthen HUD's Mutual Mortgage Insurance Fund (MMIF), and to achieve HUD's operational goals for the MMIF. The proposed rule would transition the Program from a demonstration to a permanent program by revising HUD's Single Family Mortgage Insurance, Home Equity Conversion Mortgages, and Disposition of HUD-Acquired and -Owned Single Family Property regulations to provide for the sale of HUD-held single family forward mortgages and Home Equity Conversion Mortgages, through Competitive Sale of Single Family Loans and Direct Sale of Single Family Loans. The proposed rule would also remove existing regulations on Disposition of HUD-Acquired and -Owned Single Family Property regulations which provided for a retired program that handled the sale of HUD-held single family mortgage loans. Comments are due **09/16/2024**. The proposed rule may be viewed at:

## **HUD Proposes Updates to State Housing Agency Contract Terminology.**

HUD issued a proposed rule to revise its regulations for Housing Assistance Payments contracts that were initially issued and administered by a State Housing Finance Agency. The proposed rule would clarify the meaning of the terms "HFA (Housing Finance Agency)" and "State Agency (Agency)" when HUD either assumes contract administration responsibilities or assigns the contract administration responsibilities to a Performance-Based Contract Administrator. The proposed rule would also clarify how reserve accounts may be transferred following assumption of contract administration duties by a new party. The regulatory changes would conform with longstanding HUD policy and practice. Comments are due **09/16/2024**. The proposed rule may be viewed at:

## **HUD Issues Proposed Rule on Disbursing Multifamily Mortgage Proceeds.**

HUD issued a proposed rule which, when funds provided by a mortgagor to a mortgagee are not fully disbursed with the initial advance of the insured mortgage proceeds, would allow mortgagees to disburse up to 1 percent of the mortgage amount initially endorsed for insurance before requiring that the funds provided by the mortgagor be disbursed in full. The proposed change would allow mortgagees to pool mortgages into mortgage-backed securities guaranteed by the Government National Mortgage Association prior to the funds provided by the mortgagor being disbursed in full. ### **HUD Seek Comment on Information Collections.**

- HUD seeks comment regarding an information collection titled, Insurance Termination Request for Multifamily Mortgage. The information collection is used for mortgagees to request HUD to terminate a mortgage insurance contract for a Federal Housing Administration (FHA)-insured mortgage upon prepayment in full of the mortgage prior to its maturity date, or by an owner's and mortgagee's mutual agreement to voluntarily terminate the contract of mortgage insurance without a prepayment. - HUD seeks comment regarding an information collection titled, Multifamily Housing Mortgage and Housing Assistance Restructuring Program (M2M Program). The information collection is used to determine the eligibility of Federal Housing Administration (FHA)-insured or formerly insured multifamily properties for participation in the M2M program and the terms on which such participation should occur. The collection is also used to structure the closing of debt restructures that are finalized under the program, to track the post-closing performance of the restructures, to evaluate the performance of HUD's Participating Administrative Entities (PAEs) in undertaking restructures, and to facilitate subsequent transactions involving the restructured properties under the post-M2M program. ### **FEMA Updates Floodplain Management and Protection of Wetlands Regulations.**

The Federal Emergency Management Agency (FEMA) issued a final rule to update the Floodplain Management and Protection of Wetlands Regulation to implement the Federal Flood Risk

Management Standard (FFRMS). On **10/02/2023**, FEMA published a proposed rule and supplementary policy that proposed to implement FFRMS and update FEMA's 8-step decision-making process for floodplain reviews by changing how FEMA defines a floodplain with respect to certain actions and how FEMA uses natural systems, ecosystem processes, and nature-based approaches when developing alternatives to locating a proposed action in the floodplain. FEMA issued a final rule to implement the proposed rule, with minor amendments. The final rule is effective **09/09/2024**. FEMA also issued a separate notice announcing the availability of the final policy. ### **FEMA Seeks Comment on Redesign of NFIP Community Rating System.**

FEMA seeks input regarding potential future changes to the Community Rating System (CRS) under the National Flood Insurance Program (NFIP). Specifically, FEMA seeks input on ways to improve the CRS to: (1) incentivize communities to take measurable actions and make sustained progress to reduce current and future flood risk; (2) embed equity as a foundation of the CRS; (3) incentivize communities to encourage property owners to purchase flood insurance and thus reduce their financial exposure to flood risk; and (4) deliver a community participant-centered and modernized

program. Comments are due **09/09/2024**. The notice may be viewed at:
