- The Bureau of Consumer Financial Protection (CFPB) published an advisory opinion to address certain obligations that consumer reporting agencies (CRAs) have under section 609(a) of the Fair Credit Reporting Act (FCRA). The advisory opinion underscores that, to trigger a CRA's file disclosure requirement under

FCRA section 609(a), a consumer does not need to use specific language, such as "complete file" or "file." The advisory opinion also highlights the requirements regarding the information that must be disclosed to a consumer under FCRA section 609(a). In addition, the advisory opinion affirms that CRAs must disclose to a consumer both the original source and any intermediary or vendor source (or sources) that provide the item of information to the CRA under FCRA section 609(a). The advisory opinion is effective **01/23/2024**. The advisory opinion may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2024-01-23/pdf/2024-00786.pdf>.

- CFPB published an advisory opinion to affirm that, when preparing consumer reports, a consumer reporting agency that reports public record information is not using reasonable procedures to assure maximum possible accuracy under section 607(b) of the Fair Credit Reporting Act (FCRA) if it does not have certain procedures in place. For example, it must have procedures that prevent reporting of information that is duplicative or that has been expunged, sealed, or otherwise legally restricted from public access. The advisory opinion also highlights certain aspects of the reporting period for adverse items under FCRA section 605(a)(5). The advisory opinion is effective **01/23/2024**. The advisory opinion may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2024-01-23/pdf/2024-00788.pdf>.

The proposed rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2024-01-31/pdf/2024-01688.pdf>. *Federal Register*, Vol. 89, No. 21, 01/31/2024, 6031-6051.

CFPB seeks comment regarding an information collection titled, Auto Finance Data Project. CFPB has previously researched and documented significant gaps in available auto finance data which culminated in the initial Auto Finance Data Pilot project launched in February 2023. The data collected as part of the Auto Finance Data Pilot project both confirmed the benefit of additional data collection and to inform the way CFPB would propose to collect data in the future. CFPB proposes to collect data in two separate processes, as explained in the notice. Comments are due **03/25/2024**. The notice may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2024-01-23/pdf/2024-01230.pdf>. *Federal Register*, Vol. 89, No. 15, 01/23/2024, 4281-4282.

#### **FEMA Proposes to Revise Standard Flood Insurance Policy to Add Homeowner Flood Form.**

FEMA issued a proposed rule to revise the Standard Flood Insurance Policy. The National Flood Insurance Program (NFIP), established pursuant to the National Flood Insurance Act, is a voluntary program in which participating communities adopt and enforce a set of minimum floodplain management requirements to reduce future flood damages. The new Homeowner Flood Form would replace the Dwelling Form as a source of coverage for homeowners of one-to-four family residences. Together, the new Homeowner Flood Form and endorsements would more closely align with property and casualty homeowners' insurance and provide increased options and coverage in a more user-friendly and comprehensible format. FHFA announced the adjusted cap on average total assets that is used in determining whether a Federal Home Loan Bank (Bank) member qualifies as a "community financial institution" (CFI). The Federal Home Loan Bank Act (Bank Act) confers upon insured depository institutions that meet the statutory definition of a CFI certain advantages over non-CFI insured depository institutions in qualifying for Bank membership, and in the purposes for which they may receive long-term advances and the collateral they may pledge to secure advances. Section 2(10)(A) of the Bank Act and section 1263.1 of FHFA's regulations define a CFI as any Bank member the deposits of which are insured by the Federal Deposit Insurance Corporation and that has average total assets below the statutory cap. The Bank Act was amended in 2008 to set the statutory cap at \$1 billion and to require FHFA to adjust the cap annually to reflect the percentage increase in the CPI-U, as published by the Department of Labor (DOL). The adjusted cap amount is \$1,461,000,000, based on the annual percentage increase CPI-U, as published by DOL. The changes are effective as of **01/01/2024**. ### **CFTC Seeks Comment on Gross Collection of Exchange-Set Margins for Omnibus Accounts.**

CFTC seeks comment regarding an information collection titled, Gross Collection of Exchange-Set Margins for Omnibus Accounts. CFTC Regulation 1.58 requires futures commission merchants (FCM) to collect exchange-set margins for omnibus accounts on a gross, rather than a net, basis. The regulation provides that the carrying FCM need not collect margin for positions traded by a person through an omnibus account in excess of the amount that would be required if the same person, instead of trading through an omnibus account, maintained its own account with the carrying FCM. To prevent abuse of the exception to the regulation, a carrying FCM must maintain a written representation from the originating FCM or foreign broker that the particular positions

held in the omnibus account are part of a hedge or spread transaction. The collection of information is necessary in order to provide documentation that can be inspected with regard to questions of proper compliance with gross margining requirements. Comments are due **02/26/2024**. The notice may be viewed at:
