#### **Agencies Publish Report of Accounting and Capital Standards Differences.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC) (collectively, the agencies) prepared a report pursuant to section 37(c) of the Federal Deposit Insurance Act. Section 37(c) requires the agencies to jointly submit an annual report to the Committee on Financial Services of the U.S. House of Representatives and to the Committee on Banking, Housing, and Urban Affairs of the U.S. Senate describing differences among the accounting and capital standards used by the agencies for insured depository institutions. The report is required to be published in the *Federal Register*. The agencies have not identified any material differences in accounting and capital standards applicable to the institutions they regulate and supervise. The report may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2026-01-15/pdf/2026-00642.pdf>. *Federal Register*, Vol. 91, No. 10, 01/15/2026, 1789-1791.

#### **CFPB Withdraws ECOA Noncitizen Borrowers Statement.**

The Bureau of Consumer Financial Protection (CFPB) and Department of Justice announced the withdrawal of a joint statement issued in October 2023 regarding the implications of a creditor's consideration of an individual's

immigration status under the Equal Credit Opportunity Act (ECOA). The statement published in the *Federal Register* **10/18/2023**, is withdrawn as of **01/12/2026**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-01-12/pdf/2026-00328.pdf>. *Federal Register*, Vol. 91, No. 7, 01/12/2026, 1138-1139.

#### **CFPB Seeks Comment on Information Collections.**

- CFPB seeks comment regarding an information collection titled, ICBA Disclosure Testing: Qualitative Pre-testing of Survey Instrument and Modified Disclosure Forms. The central research question that the Independent Community Bankers of America (ICBA) will be examining in the testing is whether the modified mortgage disclosures are more effective than current disclosures for a sample of consumers who are similar in age, income, and education to community bank customers. Effectiveness will be measured by how well a consumer can understand various dimensions of each loan by answering comprehension questions (e.g., interest rate, payment schedule, etc.) for various types of construction-to-permanent and construction loans they are presented. Comments are due **02/20/2026**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-01-21/pdf/2026-01086.pdf>.

*Federal Register*, Vol. 91, No. 13,  
01/21/2026, 2524-2525.

- CFPB seeks comment regarding an information collection titled, Consumer Response Intake Form. The form is designed to aid consumers in the submission of complaints, inquiries, and feedback and to help CFPB fulfill its statutory requirements. The form prompts consumers for a description of, and key facts about, the complaint at issue, the desired resolution, contact and account information, information about the company they are submitting a complaint about, and previous action taken to attempt to resolve the complaint. Comments are due **03/02/2026**. The notice may be viewed at:  
<https://www.govinfo.gov/content/pkg/FR-2026-01-30/pdf/2026-01895.pdf>.  
*Federal Register*, Vol. 91, No. 20,  
01/30/2026, 4066-4067.
- CFPB seeks comment regarding information collections titled, Report of Terms of Credit Card Plans; and Consumer and College Credit Card Agreements. CFPB intakes different forms of credit card data from credit card issuers, as required by the Truth in Lending Act, and implementing regulations. The data collections enable CFPB to provide Congress with a centralized and searchable repository for terms of credit card plans, consumer credit card agreements, college credit card agreements, and information regarding the arrangements between financial institutions and institutions of higher education. Comments are due **04/07/2026**. The notice may be

### **FRB Announces Final Approval of Information Collections.**

- The Board of Governors of the Federal Reserve System (FRB) announced final approval of an information collection titled, Interchange Transaction Fees Survey. The data are used to fulfill a statutory requirement that FRB disclose certain debit card transaction information on a biennial basis. In addition, FRB uses data to report on an annual basis the extent to which networks have established separate interchange fees for exempt and covered issuers. The notice includes a summary of the comments received regarding the notice and FRB's response to each comment. The notice may be viewed at:

*Federal Register*, Vol. 91, No. 7,  
01/12/2026, 1180-1184.
- FRB announced final approval of an information collection titled, Intermittent Survey of Businesses. The survey data are used to gather information to enable the Federal Reserve System to carry out its policy and operational responsibilities. Under the guidance of FRB, Reserve Banks survey business contacts as economic developments warrant. The surveys provide FRB members and Reserve Bank presidents real-time insights into economic conditions. FRB tailors the survey questions to match current

concerns and interests, but are not meant to supplant the more rigorous, existing economic reporting. FRB collects aggregate responses from the Reserve Banks and then distributes the information to FRB members and Reserve Bank presidents. The notice may be viewed at:

The Federal Deposit Insurance Corporation (FDIC) issued a final rule to amend its signage requirements for insured depository institutions' (IDIs) digital deposit-taking channels,

automated teller machines (ATMs), and like devices. The final rule is intended to address implementation issues and sources of potential confusion raised following the adoption of signage requirements for these banking channels in 2023. The final rule provides additional flexibility to IDIs while also enabling consumers to better understand when they are conducting business with an IDI and when funds are protected by FDIC's deposit insurance coverage. The amendments made in the final rule are effective **03/02/2026**. Compliance with the final rule is mandatory by **04/01/2027**. The final rule may be viewed at:

### **SBA Announces 7(a) Alternative Base Rate Options.**

The Small Business Administration (SBA) announced alternative base rate options for use with variable interest rate loans made under the 7(a) Loan Program. The alternative base rate options are also available for use under any 7(a) pilot loan programs, unless expressly prohibited. A 7(a) Lender may use a variable rate of interest for guaranteed loans. Currently, a 7(a) Lender may use either the Prime rate or the Optional Peg Rate as the base rate when determining the interest rate for such loans. SBA is permitting the use of three "Alternative Base Rate" options (in addition to the Prime rate and the Optional Peg Rate) for loans made with a variable interest rate under the SBA 7(a) Loan Program: the 5-year Treasury Note Rate, the 10-year Treasury Note Rate, and the Secured Overnight Funding Rate (SOFR) (collectively, Alternative Base Rates). Lenders choosing to use one of the Alternative Base Rates must follow the guidance provided in SOP 50 10 found on [sba.gov](https://www.sba.gov), which establishes the maximum interest rate allowed for a loan

based on its amount. When using one of the Alternative Base Rate options, the maximum interest rate that can be charged by the Lender shall not exceed Prime plus the allowed spread for that loan amount. The 7(a) alternative base rates will be effective **03/01/2026**, and will remain in effect until further notice.
