## June 2026 Regulatory Report

### **FFIEC Seeks Comment on Proposed Revisions to CAMELS Rating System.**

The Federal Financial Institutions Examination Council (FFIEC) seeks comment on proposed revisions to the Uniform Financial Institutions Rating System, commonly referred to as the CAMELS rating system. The proposal would strengthen the link between CAMELS ratings and a financial institution's safety and soundness by focusing component and composite ratings on factors that materially affect an institution's financial condition and risk profile, and by improving the transparency of CAMELS ratings. Comments are due **08/17/2026**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-19/pdf/2026-09944.pdf>. *Federal Register*, Vol. 91, No. 96, 05/19/2026, 29128-29139.

### **FFIEC Seeks Comment on Call Report Form FFIEC 101.**

FFIEC, of which the Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC) are members, seeks comment regarding the Regulatory

Capital Reporting for Institutions Subject to the Advanced Capital Adequacy Framework, FFIEC 101 information collection. Certain institutions are required to submit the form as described in the notice. Comments are due **08/04/2026**. The notice may be viewed at:

### **CFPB Issues Statement on ATR and Immigration Status.**

The Bureau of Consumer Financial Protection (CFPB) issued a statement to remind creditors of obligations under the Truth in Lending Act (TILA) as implemented by Regulation Z, and consistent with Executive Order 14406, Restoring Integrity to America's Financial System. As discussed in the statement, continued access to employment can be a key component of assessing a borrower's income under Regulation Z ability-to-repay requirements. A borrower's income and indications of a change to that income are often critical to reasonably assessing a borrower's ability to repay. CFPB issued the statement to remind creditors that, when determining

repayment ability, creditors relying on an individual's income derived from U.S.-based employment are permitted, and may, under certain facts and circumstances, be obligated, to consider information that bears on the consumer's underlying and continuing ability to earn income, when residency in the United States is a necessary component of such employment. Where a change "cannot be reasonably anticipated" from the application and relevant records, the change need not be considered. CFPB also stated that as guidance, the statement does not have the force or effect of law and no legally binding effect, including on persons or entities outside the Federal government. The statement is applicable **06/08/2026**. The statement may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2026-06-08/pdf/2026-11447.pdf>.

*Federal Register*, Vol. 91, No. 109, 06/08/2026, 34607-34609.

### **FRB Proposes to Amend Regulations A and D Regarding Special-Purpose Payment Accounts.**

- The Board of Governors of the Federal Reserve System (FRB) issued a proposed rule to amend Regulation A (Extensions of Credit by Federal Reserve Banks) to specify that a holder of a proposed special-purpose payment account (a Payment Account) would not be eligible for access to discount window credit made available by the Federal Reserve Banks (Reserve Banks). The proposal would change neither the existing programs under which the Reserve Banks generally provide discount window credit (primary credit,

secondary credit, and seasonal credit) nor the process for establishing the primary credit, secondary credit, and seasonal credit rates. Comments are due **07/27/2026**. The proposed rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2026-05-26/pdf/2026-10376.pdf>. *Federal Register*, Vol. 91, No. 100, 05/26/2026, 30498-30503.

- FRB issued a proposed rule to amend Regulation D (Reserve Requirements of Depository Institutions) to differentiate between master accounts and a proposed new category of special-purpose payment accounts (Payment Accounts). The proposed amendments would exclude Payment Accounts from Regulation D's provisions directing Federal Reserve Banks (Reserve Banks) to pay interest on balances maintained at a Reserve Bank. As a result, the Reserve Banks would not pay interest on balances maintained in Payment Accounts. The proposal would not affect reserve requirement ratios, which would remain zero. Comments are due **07/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-26/pdf/2026-10377.pdf>. *Federal Register*, Vol. 91, No. 100, 05/26/2026, 30503-30511.

### **FRB Seeks Comment on Proposed Revisions to PRS Policy.**

FRB seeks comment regarding proposed revisions to the Federal Reserve Policy on Payment System Risk (PSR Policy), including the proposed addition of a new Part IV, to accommodate the provision by Reserve Banks of special-purpose

accounts that would clear and settle certain payment activity (Payment Accounts). FRB also proposed updates to its guidelines for Federal Reserve Banks (Reserve Banks) to utilize in evaluating requests for access to Reserve Bank account and services (Account Access Guidelines) to accommodate requests for access to Payment Accounts. Finally, FRB has encouraged Reserve Banks to pause decisions on requests for Reserve Bank accounts and services from institutions that are Tier 3 under the Account Access Guidelines until FRB has completed its policy development process on the Payment Account proposal. Comments are due **07/27/2026**. The notice may be viewed at:

### **FRB Announces Final Approval of Information Collection.**

FRB announced final approval of an information collection titled, Capital Assessments and Stress Testing Reports, FY Y-14. The FR Y-14 reports collect stress test and capital plan data from the largest holding companies, which are those with \$100 billion or more in total consolidated assets. The data collected provide FRB with information needed to help ensure that large holding companies have strong, firm-wide risk measurement and management processes supporting their internal assessments of capital adequacy and that their capital resources are sufficient given their business focus, activities, and resulting risk exposures. Information gathered is also used in the supervision and regulation of the financial

institutions. The revisions to the information collection are effective **12/31/2026**, unless otherwise noted in the notice. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-20/pdf/2026-10099.pdf>. *Federal Register*, Vol. 91, No. 97, 05/20/2026, 29485-29497.

### **FDIC Issues Correction to Brokered Deposit Regulations.**

The Federal Deposit Insurance Corporation (FDIC) issued a correction to a final rule published in the *Federal Register* **01/22/2021**. The action corrects technical errors in FDIC's regulations concerning brokered deposits, 12 CFR parts 303 and 337, which were amended by the January 2021 rule. The 2021 rule inadvertently deleted text accompanying two footnotes (which, additionally, were previously misnumbered) in 12 CFR 337.6(a)(3)(i). The 2021 rule also failed to update a cross-reference to 12 CFR 337.6(b)(2)(ii), a section which was relocated to 12 CFR 337.7(c)(2). Finally, the 2021 rule inadvertently used the term "assets under management" in the regulatory text for Part 303 when the rule's preamble, as well as two related provisions of FDIC's regulations, used the correct terminology, "assets under administration," to describe the same concept. Through the final rule FDIC corrected the inadvertent errors, as well as made several minor grammatical changes. The correction is effective **06/03/2026**. The correction may be viewed at:

- FDIC seeks comment regarding three information collections titled, Certified Statement for Quarterly Deposit Insurance Assessment; Foreign Banking and Investment by Insured State Nonmember Banks; and Interagency Guidance on Sound Incentive Compensation Policies. ### **OCC Issues Final Rule on Real Estate Lending Escrow Accounts.**

The Office of the Comptroller of the Currency (OCC) issued a final rule to codify longstanding and recognized powers of national banks and Federal savings associations to establish or maintain real estate lending escrow accounts and to exercise flexibility in making business judgments as to the terms and conditions of such accounts, including whether and to what extent to offer any compensation or to assess any fees related thereto. The final rule is effective **06/18/2026**. The final rule may be viewed at:

*Federal Register*, Vol. 91, No. 96, 05/19/2026, 29340-29347.

## OCC Issues Preemption Determination of State Interest-on-Escrow Laws.

OCC issued a preemption determination concluding that Federal law preempts State laws that restrict OCC-regulated banks' flexibility to decide whether and to what extent to pay interest or other compensation on funds placed in real estate escrow accounts or assess fees in connection with such accounts. The final rule is effective **06/18/2026**. The final rule may be viewed at:

## OCC Seeks Comments on Information Collections.

- OCC seeks comment regarding an information collection titled, Securities Offering Disclosure Rules. Twelve CFR part 16 governs the offer and sale of securities issued by national banks and Federal savings associations. The requirements in part 16 enable OCC to perform its responsibility to ensure that the investing public has information about the condition of the institution, the reasons for raising new capital, and the terms of the offering. Part 16 requires that securities offering disclosures of national banks and Federal savings associations be generally consistent with similar Securities Exchange Commission disclosure requirements. Comments are due **06/22/2026**. The notice may be viewed at:  
<https://www.govinfo.gov/content/pkg/FR-2026-05-20/pdf/2026-10048.pdf>. *Federal Register*, Vol. 91, No. 97, 05/20/2026, 29520-29522.
- OCC seeks comment regarding an information collection titled, Securities Exchange Act Disclosure Rules. The Securities and Exchange Commission (SEC) is required by statute to collect certain information and documents from any firm that is required to register its stock with SEC. Federal law requires OCC to apply similar regulations to any national bank or Federal savings association similarly required to be registered with SEC. Twelve CFR part 11 ensures that a national bank or Federal savings association whose securities are subject to registration provides adequate information about its operations to current and potential shareholders and the public. OCC reviews the information to ensure that it complies with Federal law and makes public all information required to be filed under the rule. Comments are due **07/01/2026**. ### **Agencies Rescind Policies on Denials in Settlements of Enforcement Actions.**

- The Commodity Futures Trading Commission (CFTC) issued a final rule to rescind a policy contained in an appendix to its regulations concerning acceptance of settlements in administrative and civil proceedings. The policy is commonly understood to limit a respondent's or defendant's ability to deny allegations following settlement. The final rule is effective **06/08/2026**. - The Securities and Exchange Commission (SEC) issued a final rule to rescind a rule of informal procedure that concerns settlements in judicial or administrative proceedings. Since 1972, SEC maintained a policy, codified in Rule 202.5(e) of its rules of informal procedure, 17 CFR 202.5(e), that when it chooses to settle an enforcement action in which a sanction is imposed, it will not settle unless the defendant or respondent also agrees not to publicly deny the allegations in the complaint or administrative order. For the reasons explained in the final rule, SEC has rescinded the policy and repealed Rule 202.5(e). The final rule is effective **05/21/2026**. The final rule may be

### **CFTC Issues Policy Statement Concerning Listing of Perpetual Contracts.**

CFTC issued a policy statement which describes its views concerning the listing of perpetual contracts. CFTC issued an order permitting the listing of a perpetual contract that references the spot price of bitcoin by a designated contract market (DCM) as a futures contract. Given the unique characteristics of perpetual contracts, which tend to vary based on the underlying asset they reference, CFTC is of the view that the case-by-case review process detailed in CFTC Regulation 40.3 is appropriate for the listing of perpetual contracts that reference asset classes that are not contemplated in the order. The policy statement is adopted as of **05/29/2026**.

### **CFTC Seeks Comment on DCO Registration.**

CFTC seeks comment regarding an information collection titled, Exemption from Derivatives Clearing Organization (DCO) Registration. The information collection is associated with CFTC regulations codifying the policies and procedures that CFTC follows with respect to granting exemptions from registration as a DCO for the clearing of proprietary swaps for U.S. persons and futures commission merchants. The information collected is necessary for CFTC to determine whether a clearing organization qualifies for exemption from DCO registration, to evaluate the continued eligibility of the exempt DCO for exemption from registration, to review compliance by the exempt DCO with any conditions of such exemption, or to conduct its oversight of U.S. persons and the swaps that are cleared by U.S. persons through the exempt DCO. Comments are due **08/10/2026**. The notice may be viewed at:

### **SEC Proposes Simplification of Filer Status for Reporting Companies.**

SEC issued a proposed rule to streamline filer statuses for Securities Exchange Act reporting companies into two primary categories: large-accelerated filers and non-accelerated filers. SEC further proposed to raise the threshold and

seasoning requirements for large-accelerated filer status and extend certain existing accommodations and scaled disclosures, including those for smaller reporting companies and emerging growth companies, to all non-accelerated filers, while continuing to require compliance with non-scaled disclosure from large-accelerated filers. SEC also proposed to extend the deadlines to file periodic reports for the smallest non-accelerated filers, as measured by total assets. Finally, SEC also proposed to update the rules that define which issuers are considered small entities for purposes of the Regulatory Flexibility Act. Comments are due **07/20/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-21/pdf/2026-10222.pdf>. *Federal Register*, Vol. 91, No. 98, 05/21/2026, 30086-30190.

### **SEC Proposes Registered Offering Reform.**

SEC issued a proposed rule to amend Form S-3 and the ability to conduct shelf offerings available to significantly more issuers, extend certain benefits currently reserved for "well-known seasoned issuers" to a broader set of issuers, and modernize Form S-1 by expanding the ability to incorporate information by reference into that form. The proposed amendments also would make conforming changes to the registration, communication, and offering process for certain business development companies and registered closed-end investment companies that register securities on Form N-2. SEC also proposed to amend the communication rules to permit broad-based advertising for certain

insurance products. In addition, SEC proposed other amendments that are intended to modernize certain rules. Finally, to mitigate the costs and complexity of conducting a registered offering, the proposed amendments would preempt State securities law registration and qualification requirements for all registered offerings. Comments are due **07/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-26/pdf/2026-10373.pdf>. *Federal Register*, Vol. 91, No. 100, 05/26/2026, 31022-31281.

### **SEC Proposes to Rescind Climate-Related Disclosure Rules.**

SEC issued a proposed rule to rescind amendments to its rules under the Securities Act and Securities Exchange Act that require registrants to provide certain climate-related information in registration statements and annual reports. Comments are due **08/03/2026**. ### **FCC Seeks Comment on Enhancing Know-Your-Customer Requirements.**

The Federal Communications Commission (FCC) seeks comment regarding proposed actions to provide additional clarity to fill the gap between its current Know-Your-Customer (KYC) requirement and the types of rigorous KYC steps necessary to protect consumers. Specifically, FCC seeks comment on customer identification

requirements for new and renewing customers, requirements for verifying, retaining, and re-verifying customer information, requiring more information from certain customers such as high-volume customers, and on how these efforts can complement call branding and caller name requirements FCC may adopt. FCC also proposed to assess penalties for violations of the KYC requirement on a per call basis. FCC aims to make it more difficult for scammers to originate illegal calls and easier to enforce against them when they do get onto the network. Comments are due **06/25/2026**. Reply comments are due **07/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-26/pdf/2026-10407.pdf>. *Federal Register*, Vol. 91, No. 100, 05/26/2026, 30596-30603.

#### **VA Seeks Comment on Information Collections.**

- The Department of Veterans Affairs (VA) seeks comment regarding an information collection titled, Status of Loan Account-Foreclosure or Other Liquidation. The information collection is used in connection with a holder's request for VA to repurchase a loan. The holder of a delinquent vendee account is legally entitled to repurchase of the loan by VA when the loan has been continuously in default for three months and the amount of the delinquency equals or exceeds the sum of two monthly installments. Comments are due **06/22/2026**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-21/pdf/2026-10130.pdf>.

- VA seeks comment regarding an information collection titled, Government-Sponsored Enterprise (GSE) Industry Appraisal Report. The information collection is used by VA to support property valuation determinations for VA-guaranteed loans. The collection seeks reapproval of VA's requirements that appraisers utilize certain industry-standard reports when completing an appraisal. The collection provides accurate and complete appraisal of prospective VA-guaranteed properties, ensuring mortgages are acceptable for VA guarantee and protecting the interest of VA, taxpayers, and the Veterans Housing Benefit Program Fund. Comments are due **06/22/2026**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-05-22/pdf/2026-10236.pdf>. *Federal Register*, Vol. 91, No. 99, 05/22/2026, 30397.
- VA seeks comment regarding an information collection titled, Statement of Purchaser or Owner Assuming Seller's Loan. ## **NCUA Issues Interim Final Rule on Federal Credit Unions' Power to Charge Non-Interest Charges and Fees.**

The National Credit Union Administration (NCUA) issued an interim final rule to clarify federal credit unions' (FCUs) power to charge non-interest charges and fees includes the power to assess, collect, impose, levy, receive, reserve, take, or otherwise obtain non-interest charges and fees, including interchange fees from credit and debit card operations. Further, the interim final rule explains that FCUs may charge non-interest charges or fees, even when such charges and fees are set by or in consultation with third parties.

The interim final rule is effective **06/30/2026**. Comments are due **07/09/2026**. The interim final rule may be viewed at:

## **NCUA Seeks Comment on Proposal to Implement Portions of GENIUS Act.**

NCUA seeks comment regarding a proposed rule to implement portions of the Guiding and Establishing National Innovation for U.S. Stablecoins Act (GENIUS Act). The GENIUS Act charges NCUA with licensing, regulating, and supervising payment stablecoin issuers that are subsidiaries of federally-insured credit unions (FICU subsidiaries). In February 2026, NCUA issued proposed regulations to govern investments in and licensing of permitted payment stablecoin issuers subject to NCUA's jurisdiction.

This proposal supplements the previous proposal and would govern the issuance

of payment stablecoins and certain related activities by entities subject to NCUA's jurisdiction. The proposal would also address share insurance coverage, tokenized shares, and other conforming and clarifying amendments. Comments are due **07/17/2026**. The proposed rule may be viewed at:
