The regulation also requires such depository institutions to obtain a written acknowledgment from depositors regarding the institution's lack of Federal deposit insurance. Comments are due **03/26/2026**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-24/pdf/2026-03623.pdf>. *Federal Register*, Vol. 91, No. 36, 02/24/2026, 8843.

Regulation G requires covered institutions to register with the Nationwide Mortgage Licensing System and

The Truth in Savings Act (TISA) was enacted to enhance economic stability, improve competition between depository institutions, and strengthen consumer ability to make informed decisions regarding deposit accounts by requiring uniformity in the disclosure of interest rates and fees. TISA assists consumers in comparing deposit accounts offered by depository institutions, principally through the disclosure of fees, the annual percentage yield, the interest rate, and other account terms. SEC Issues Rules Related to N-PORT Form.

- The Securities and Exchange Commission (SEC) issued a final rule to extend the compliance date for the amendments to Form N-PORT that were adopted **09/20/2023**, and relate to the rule under the Investment Company Act that addresses certain broad categories of investment company names that are likely to

mislead investors about an investment company's investments and risks. The compliance dates for the Form N-PORT amendments are extended to **11/17/2027**, for fund groups with net assets of \$10 billion or more as of the end of their most recent fiscal year; and to **05/18/2028**, for fund groups with less than \$10 billion in net assets as of the end of their most recent fiscal year. The final rule is effective **03/25/2026**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-23/pdf/2026-03459.pdf>. *Federal Register*, Vol. 91, No. 35, 02/23/2026, 8379-8381.

- SEC issued a proposed rule to amend reporting requirements on Form N-PORT that apply to certain registered investment companies, including registered open-end funds, registered closed-end funds, and exchange-traded funds organized as unit investment trusts. The proposed amendments would modify provisions adopted in 2024 to provide the funds with an additional fifteen days to file monthly reports of portfolio-related information on Form N-PORT and would restore the quarterly publication frequency that had been in place for over two decades. SEC also proposed to streamline or remove certain items and sub-items. Finally, SEC proposed to adjust how funds with share classes that operate as exchange-traded funds report certain information to improve information about the fund structure and to require information about funds' ticker symbols, as well as certain class-level identifiers, as applicable, to facilitate efficient use of the reported

information. Comments are due **04/24/2026**. The proposed rule may be viewed at:

NCUA Proposes Rules to Simplify Compliance and Reduce Costs.

- The National Credit Union Administration (NCUA) issued a proposed rule to amend its regulations governing the conversion of insured credit unions into banks. NCUA proposed to eliminate certain prescriptive procedural, disclosure, and communication requirements. The action reduces unnecessary regulatory burdens and provides credit union boards of directors with greater flexibility to exercise their business judgment. Comments are due **04/13/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-11/pdf/2026-02763.pdf>. *Federal Register*, Vol. 91, No. 28, 02/11/2026, 6141-6144.
- NCUA issued a proposed rule to amend its regulations governing the voluntary termination of federal share insurance to streamline member communication requirements. The action is necessary to reduce regulatory burden by eliminating overly prescriptive formatting rules for the mandatory disclosure statement that credit unions must provide to members. Comments are due **04/13/2026**. The proposed rule may be viewed at:

- NCUA issued a proposed rule to eliminate the regulatory requirement that each director of a federal credit union attain a working familiarity with finance and accounting within six months after election or appointment. NCUA believes the regulation is unnecessarily prescriptive. Comments are due **04/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-25/pdf/2026-03753.pdf>. *Federal Register*, Vol. 91, No. 37, 02/25/2026, 9177-9179.
- NCUA issued a proposed rule to rescind its regulation that addresses the refund of interest to members. NCUA believes the regulation is redundant, as it restates the authority already granted to a federal credit union's board of directors by the Federal Credit Union Act section 113(9). Comments are due **04/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-25/pdf/2026-03756.pdf>. *Federal Register*, Vol. 91, No. 37, 02/25/2026, 9179-9181.
- NCUA issued a proposed rule to remove regulations regarding federal credit unions' (FCUs) statutory lien authority. NCUA believes it is redundant to continue to include a definition of the term "except as otherwise provided by law or except as otherwise provided by federal law" when it is axiomatic that a law that supersedes this regulation would be controlling. The provision does not provide any assistance to FCUs in determining whether such statutory or case law exists, therefore it has no material value. Comments are due **04/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-25/pdf/2026-03758.pdf>. *Federal Register*, Vol. 91, No. 37, 02/25/2026, 9181-9182.
- NCUA issued a proposed rule to amend the regulation that limits a federally insured credit union official and employee compensation in connection with loans to members and lines of credit to members. To provide clearer and more flexible standards, the proposed rule would expressly permit incentive and bonuses to employees, including senior management, to incorporate lending metrics as part of compensation based on a credit union's overall financial performance. Comments are due **04/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-25/pdf/2026-03754.pdf>. *Federal Register*, Vol. 91, No. 37, 02/25/2026, 9182-9185.
- NCUA issued a proposed rule to revise its regulations governing the organization and operation of federal credit unions (FCUs) by eliminating a provision related to credit union service contracts. NCUA intends to reduce administrative costs and compliance complexity with the revision, enabling FCUs to serve their members more efficiently. Comments are due **04/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg>

- NCUA issued a proposed rule to streamline its regulations governing the purchase, sale, and pledge of eligible obligations. NCUA proposed to remove the prescriptive lists of items that must be addressed in the written policies adopted by a federal credit union (FCU). Although FCUs would still be required to maintain written policies, removing the mandated items will enable a more efficient and principles-based approach. NCUA also proposed to remove detailed requirements regarding conflicts of interest and compensation. NCUA believes the regulatory provisions are unnecessary since FCUs are already governed by broader conflict of interest provisions in their bylaws and by the fiduciary duties of their officials. Comments are due **04/27/2026**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2026-02-25/pdf/2026-03755.pdf>. *Federal Register*, Vol. 91, No. 37, 02/25/2026, 9188-9191.

NCUA Proposes to Rescind FOM Interpretive Ruling and Policy Statement.

NCUA proposed to rescind its Interpretative Ruling and Policy Statement 06-1, IRPS 06-1. Rescinding IRPS 06-1 would ease the compliance burden on Federal credit unions (FCUs) by limiting the number of sources that FCUs must check to ensure compliance with applicable chartering and field of membership requirements.
