

March 2021 Regulatory Report

Agencies Issue Final Net Stable Funding Ratio.

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), Office of the Comptroller of the Currency (OCC) (collectively, the agencies) issued a final rule to implement a stable funding requirement, known as the net stable funding ratio (NSFR), for certain large banking organizations. The final rule establishes a quantitative metric, the NSFR, to measure the stability of the funding profile of certain large banking organizations and requires the banking organizations to maintain minimum amounts of stable funding to support their assets, commitments, and derivatives exposures over a one-year time horizon. The final rule applies to certain large U.S. depository institution holding companies, depository institutions, and U.S. intermediate holding companies of foreign banking organizations, each with total consolidated assets of \$100 billion or more, together with certain depository institution subsidiaries (together, covered companies). Under the final rule, the NSFR requirement increases in stringency based on risk-based measures of the top-tier covered company. U.S. depository institution holding companies and U.S. intermediate holding companies subject to the final rule are required to publicly disclose their NSFR and certain components of their NSFR every second and fourth calendar quarter for each of the two immediately preceding calendar quarters. The final rule also amends certain definitions in the agencies' liquidity coverage ratio rule that are also applicable to the NSFR. The final rule is effective **07/01/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-11/pdf/2020-26546.pdf>. *Federal Register*, Vol. 86, No. 27, 02/11/2021, 9120-9221.

Agencies Issue Final Rules to Codify 2018 Interagency Statement Clarifying Role of Supervisory Guidance.

- The Bureau of Consumer Financial Protection (CFPB) issued a final rule to codify the Interagency Statement Clarifying the Role of

Supervisory Guidance, issued by CFPB and the Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), Office of the Comptroller of the Currency (OCC), and National Credit Union Administration (NCUA) (collectively, the agencies), on **09/11/2018** (2018 Statement). By codifying the 2018 Statement, with amendments, the final rule confirms that CFPB will continue to follow and respect the limits of administrative law in carrying out its supervisory responsibilities. The 2018 Statement reiterated well-established law by stating that, unlike a law or regulation, supervisory guidance does not have the force and effect of law. As such, supervisory guidance does not create binding legal obligations for the public. Because it is incorporated into the final rule, the 2018 Statement, as amended, is binding on CFPB. The final rule is effective **03/15/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-12/pdf/2021-01524.pdf>. *Federal Register*, Vol. 86, No. 28, 02/12/2021, 9261-9269.

By codifying the 2018 Statement, with amendments, the final rule confirms that FDIC will continue to follow and respect the limits of administrative law in carrying out its supervisory responsibilities. The 2018 Statement reiterated well-established law by stating that, unlike a law or regulation, supervisory guidance does not have the force and effect of law. As such, supervisory guidance

does not create binding legal obligations for the public. Because it is incorporated into the final rule, the 2018 Statement, as amended, is binding on FDIC. The final rule is effective **04/01/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-03-02/pdf/2021-01537.pdf>. *Federal Register*, Vol. 86, No. 39, 03/02/2021, 12079-12086.

- The Office of the Comptroller of the Currency (OCC) issued a final rule to codify the Interagency Statement Clarifying the Role of Supervisory Guidance, issued by OCC, Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), National Credit Union Administration (NCUA), and Bureau of Consumer Financial Protection (CFPB) (collectively, the agencies) on **09/11/2018** (2018 Statement). By codifying the 2018 Statement, with amendments, the final rule confirms that OCC will continue to follow and respect the limits of administrative law in carrying out its supervisory responsibilities. The 2018 Statement reiterated well-established law by stating that, unlike a law or regulation, supervisory guidance does not have the force and effect of law. As such, supervisory guidance does not create binding legal obligations for the public. Because it is incorporated into the final rule, the 2018 Statement, as amended, is binding on OCC. The final rule is effective **03/15/2021**. Agencies Seek Comment on Call Report Revisions.

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC) (collectively, the agencies) seek comment regarding revisions and extension of the information collection related to the Consolidated Reports of Condition and Income (Call Reports) (FFIEC 031, FFIEC 041, and FFIEC 051), which are currently approved collections of information. On **11/30/2020**, the agencies, under the auspices of the Federal Financial Institutions Examination Council (FFIEC), requested comment on a proposal to revise

and extend the information collections. The agencies' proposal addressed measurement dates of total asset thresholds associated with the reporting of certain data in the Call Reports. After considering the comments received, the agencies are proceeding with the proposed revisions to the reporting forms and instructions for the Call Reports related to the agencies' asset-size thresholds rulemaking. The agencies hereby give notice of the plan to submit to Office of Management and Budget (OMB) a request to approve the revision and extension of the information collections, and again seek comment on the renewal. Comments are due **03/22/2021**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-18/pdf/2021-03210.pdf>. *Federal Register*, Vol. 86, No. 31, 02/18/2021, 10157-10160.

CFPB Issues Final HPML Escrow Exemption Rule.

The Bureau of Consumer Financial Protection (CFPB) issued a final rule to amend Regulation Z, which implements the Truth in Lending Act, as mandated by section 108 of the Economic Growth, Regulatory Relief, and Consumer Protection Act (EGRRCPA). The amendments exempt certain insured depository institutions and insured credit unions from the requirement to establish escrow accounts for certain higher-priced mortgage loans (HPMLs). The final rule implements EGRRCPA section 108 statutory directive, removes certain obsolete text from the Official Interpretations to Regulation Z, and also corrects prior inadvertent deletions from the commentary and two scrivener's errors in existing commentary. New Regulation Z section 1026.35(b)(2)(vi) exempts from the HPML escrow requirement any loan made by an insured depository institution or insured credit union and secured by a first-lien on the principal dwelling of a consumer if: (1) the institution has assets of \$10 billion or less; (2) the institution and its affiliates originated 1,000 or fewer loans secured by a first-lien on a principal dwelling during the preceding calendar year; and (3) certain of the existing HPML escrow exemption criteria are met, as described in the final rule. The final rule is effective **02/17/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-17/pdf/2021-01572.pdf>. *Federal Register*, Vol. 86, No. 30, 02/17/2021, 9840-9857.

CFPB Issues Statement Regarding General QM Rule.

CFPB released a statement regarding the mandatory compliance date of its General Qualified Mortgage (QM) final rule and of the possible reconsideration of the rule and of the Seasoned QM final rule. The statement was released on CFPB's website on **02/23/2021**. The statement may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-26/pdf/2021-03987.pdf>. *Federal Register*, Vol. 86, No. 37, 02/26/2021, 11623.

CFPB Issues Proposed Rule to Delay Compliance Date of General QM Rule.

CFPB issued a proposed rule to delay the mandatory compliance date of the General Qualified Mortgage (QM) final rule until **10/01/2022**. Specifically, the proposed rule amends comments 43-2 and 43(e)(4)-2 and -3 to reflect an extension of the mandatory compliance date of the General QM final rule by changing **07/01/2021**, where it appears in the comments to **10/01/2022**. The proposed rule also adds new comment 43(e)(2)-1 to clarify the General QM loan definitions available to creditors for applications received on or after **03/01/2021**, but prior to **10/01/2022**. If the proposed rule is finalized, for covered transactions for which creditors receive applications on or after **03/01/2021**, and before **10/01/2022**, creditors would have the option of complying with either the revised General QM loan definition or the General QM loan definition in effect prior to **03/01/2021**. Under the proposed rule, the revised regulations would apply to covered transactions for which creditors receive applications on or after **10/01/2022**. Comments are due **04/05/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-03-05/pdf/2021-04698.pdf>. *Federal Register*, Vol. 86, No. 42, 03/05/2021, 12839-12857.

The Board of Governors of the Federal Reserve System (FRB) issued a final rule to amend Regulation EE to include additional entities in the definition of "financial institution" contained in section 402 of the Federal Deposit Insurance Corporation Improvement Act (FDICIA) so that the institutions are covered by FDICIA's netting protections. The final rule also clarifies certain aspects of the existing activities-based test in Regulation EE. The final rule is effective **03/29/2021**. FRB Revises Federal Open Market Committee Rules of Procedure.

FRB issued a final rule to revise rules of procedure for its Federal Open Market Committee to replace the references to "Chairman" and "Vice Chairman," with the gender-neutral equivalent terms of "Chair" and "Vice Chair." Although the terms chairman and vice chairman are referenced in the Federal Reserve Act, traditionally the terms have been used to refer to persons regardless of gender. As the terms are not intended to be and, in practice, are not gender-specific, the terms were changed. The final rule is effective **02/26/2021**. FRB issued this interim final rule to further extend the relief to PPP loans, including PPP second draw loans, made through **03/31/2021**. The interim final rule is effective **02/17/2021**. The Community Development Financial Institutions Fund (CDFI) issued several notices of funds availability (NOFAs) to invite applications for financial assistance (FA) awards or technical assistance (TA) grants under the Community Development Financial Institutions Program (CDFI Program) fiscal year (FY) 2021 Funding Round. NCUA Issues Final Rule to Amend Corporate Credit Union Regulation.

The National Credit Union Administration (NCUA) issued a final rule to amend its corporate credit union regulation to update the definitions in the regulation and make clear that corporate credit unions may purchase subordinated debt instruments issued by natural person credit unions. The final rule also specifies the capital treatment of the instruments for corporate credit unions that purchase them. The final rule is effective **01/01/2022**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-23/pdf/2021-01399.pdf>. *Federal Register*, Vol. 86, No. 34, 02/23/2021, 10729-10731.

NCUA Finalizes Subordinated Debt Rule.

NCUA issued a final rule to amend various parts of its regulations to permit Low-income Designated Credit Unions, Complex Credit Unions, and New Credit Unions to issue subordinated debt for purposes of regulatory capital treatment. NCUA finalized the rule largely as proposed, except for a few changes to various sections based on comments received. The changes include amending the definition of "accredited investor," providing a longer timeframe in which a credit union may issue subordinated debt after approval, reducing the required number of years of pro forma financial statements an issuing credit union must provide with its application, clarifying the prohibition on subordinated debt issuances outside of the United States, and clarifying that NCUA will publish a fee schedule only if it makes a determination to charge a fee. The final rule is effective **01/01/2022**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-23/pdf/2020-28281.pdf>. *Federal Register*, Vol. 86, No. 34, 02/23/2021, 11060-11085.

NCUA Issues Joint Account Final Rule.

NCUA issued a final rule to amend its share insurance regulation governing the requirements for a share account to be separately insured as a joint account by the National Credit Union Share Insurance Fund (NCUSIF). Specifically, the final rule provides an alternative method to satisfy the membership card or account signature card requirement necessary for insurance coverage (signature card requirement). Under the final rule, even if an insured credit union cannot produce

membership cards or account signature cards signed by the joint accountholders, the signature card requirement can be satisfied by information contained in the account records of the insured credit union establishing co-ownership of the share account. The final rule is effective **03/26/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-24/pdf/2021-03671.pdf>. *Federal Register*, Vol. 86, No. 35, 02/24/2021, 11321-11322.

NCUA Issues Risk-Based Net Worth-COVID-19 Regulatory Relief Proposal.

NCUA issued a proposed rule to raise the asset threshold for defining a credit union as "complex" for purposes of being subject to any risk-based net worth requirement in NCUA's regulations. The proposed rule would amend NCUA's regulations to provide that any risk-based net worth requirement will be applicable only to a federally insured natural-person credit union (credit union) with quarter-end assets that exceed \$500 million and a risk-based net worth requirement that exceeds six percent. The COVID-19 pandemic has created a vital need for financial institutions, including credit unions, to provide access to responsible credit and other member services to support consumers. Implementing the regulatory change in advance of **01/01/2022**, the effective date of the 2015 final risk based capital rule issued by NCUA, would provide necessary capital relief to a significant number of credit unions without substantially decreasing the safety and soundness of credit unions or the National Credit Union Share Insurance Fund. Comments are due **03/25/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-23/pdf/2021-01400.pdf>. *Federal Register*, Vol. 86, No. 34, 02/23/2021, 10872-10875.

NCUA Issues Proposed Rule to Broaden Permissible Activities and Services of CUSOs.

NCUA seeks comment on a proposed rule that would amend its credit union service organization (CUSO) regulation. The proposed rule would accomplish two objectives: expand the list of permissible activities and services for CUSOs to include originating any type of loan that a federal credit union (FCU) may originate; and grant NCUA additional flexibility to approve permissible activities and services. NCUA also seeks comment on

broadening FCU investment authority in CUSOs. Comments are due **03/29/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-02-26/pdf/2021-01398.pdf>. *Federal Register*, Vol. 86, No. 37, 02/26/2021, 11645-11651.

NCUA Issues Proposed Rule on CAMEL Rating System.

NCUA issued a proposed rule to add the "S" (Sensitivity to Market Risk) component to the existing CAMEL rating system and redefining the "L" (Liquidity Risk) component, thus updating the rating system from CAMEL to CAMELS. The proposal to add the "S" component will enhance transparency and allow NCUA, State Supervisory Authorities, and federally insured credit unions to better distinguish between liquidity risk (L) and sensitivity to market risk (S). The amendment would also enhance consistency between the regulation of credit unions and other financial institutions. NCUA has proposed to implement the addition of the S rating component and a redefined L rating as early as the first quarter of 2022. Comments are due **05/10/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-03-09/pdf/2021-01396.pdf>. *Federal Register*, Vol. 86, No. 44, 03/09/2021, 13494-13498.

NCUA Issues Proposed Rule on Simplification of Risk Based Capital Requirements.

NCUA seeks comments on two approaches to simplify its risk-based capital requirements. NCUA's risk-based capital requirements are set forth in a final rule dated **10/29/2015**, which is currently scheduled to become effective on **01/01/2022**. The delayed effective date has provided NCUA with additional time to evaluate the capital standards for federally-insured credit unions (FICUs) that are classified as "complex" (those with total assets greater than \$500 million). The first approach would replace the risk-based capital rule with a Risk-based Leverage Ratio requirement, which uses relevant risk attribute thresholds to determine which complex credit unions would be required to hold additional capital (buffers). The second approach would retain the 2015 risk-based capital rule but enable eligible complex FICUs to opt-in to a "complex credit union leverage ratio" (CCULR) framework to meet all regulatory capital requirements. The CCULR approach would be

modeled on the "Community Bank Leverage Ratio" framework, which is available to certain banks. Comments are due **05/10/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-03-09/pdf/2021-01397.pdf>. *Federal Register*, Vol. 86, No. 44, 03/09/2021, 13498-13502.

DOL Announces Delay of Effective Date for Independent Contractor Status Under FLSA.

The Department of Labor (DOL) announced a delay in effective date for the independent contractor status rule under the Fair Labor Standards Act (FLSA). Consistent with the Presidential directive as expressed in the memorandum of **01/20/2021**, from the Assistant to the President and Chief of Staff, entitled, Regulatory Freeze Pending Review, the action finalizes DOL's proposal to delay until **05/07/2021**, the effective date of the rule titled Independent Contractor Status Under the Fair Labor Standards Act, which was published in the *Federal Register* on **01/07/2021**. The delay will allow DOL to review issues of law, policy, and fact raised by the rule before it takes effect. As of **03/04/2021**, the effective date of the Independent Contractor Rule published **01/07/2021**, at 86 FR 1168 is delayed until **05/07/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2021-03-04/pdf/2021-04608.pdf>. *Federal Register*, Vol. 86, No. 41, 03/04/2021, 12535-12537.
