NCUA Seeks Comment on New Charter Application Information Collection.

The National Credit Union Administration (NCUA) seeks comment on the extension of an information collection titled, Proof of Concept Application (POC) for New Charter Organizing Groups. The Office of Credit Union Resources and Expansion (CURE) is responsible for the review and approval of charter applications submitted by organizing groups. CURE has implemented a charter modernization process to improve the quality of charter applications received. The information collection helps ensure organizing groups submit a well-thought out, well-developed charter plan to minimize the back-and-forth communication and improve overall chartering processing times. Comments are due **06/17/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-04-18/pdf/2022-08223.pdf>. *Federal Register*, Vol. 87, No. 74, 04/18/2022, 22952-22953.

NCUA Seeks Comment on Call Report and Vendor Registration Information Collections.

NCUA seeks comment on the extension of two information collections. The first information collection is titled, NCUA Call Report. Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions to make financial reports to NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data through NCUA’s online portal, CUOnline. The Call Report was restructured to accommodate the Complex Credit Union Leverage Ratio (CCULR) Calculation schedule by adding a schedule for the CCULR Calculation and to reestablish the account code for the collection of Noncontrolling Interest in Consolidated Subsidiaries (previously described as Miscellaneous Equity and erroneously omitted from

the Form 5300). The second information collection is titled, NCUA Vendor Registration Form. Section 342 of the Dodd-Frank Act calls for agencies to promote the inclusion of minority- and women-owned firms in their business activities. The Act also requires agencies to annually report to Congress the total amounts paid to minority- and women-owned businesses. NCUA Form 1772 is used to collect certain information from its current and potential vendors so that it can identify businesses that meet the criteria. Comments are due **06/24/2022**. VA Seeks Comment on VALERI System Information Collection.

VA seeks comment on revisions to an information collection titled, VA Loan Electronic Reporting Interface (VALERI) System and Title Requirements for Conveyance of Real Property to the Secretary. VA has submitted a modification to address information collected in the event loss mitigation efforts are unsuccessful and a VA-guaranteed loan goes into foreclosure. Statutory requirements for conveyance of properties to VA are found in chapter 37 of title 38, United States Code. The implementing regulations are found in part 36 of title 38, Code of Federal Regulations (CFR). In 38 CFR 36.4323, VA explains that each conveyance or transfer of real property to VA pursuant to the section shall be acceptable if: (a) the holder thereby covenants or warrants against the acts of the holder and those claiming under the holder (e.g., by special warranty deed); and (b) it vests in VA or will entitle VA to such title as is or would be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally, in the community in which the property is situated.
