

## September 2022 Regulatory Report

### **CFPB Issues Interpretive Rule Regarding “Time or Space” Exception with Respect to Digital Marketing Providers.**

The Bureau of Consumer Financial Protection (CFPB) issued an interpretive rule regarding the limited applicability of the Consumer Financial Protection Act’s (CFPA’s) “time or space” exception with respect to digital marketing providers. Section 1002 of CFPA defines the term “service provider” and sets forth two exceptions to that definition. Under one of those exceptions, a person is not a service provider solely by virtue of such person offering or providing to a covered person time or space for an advertisement for a consumer financial product or service through print, newspaper, or electronic media. CFPB issued the interpretive rule to address digital marketing providers that commingle the targeting and delivery of advertisements to consumers, such as by using algorithmic models or other analytics, with the provision of advertising “time or space.” Digital marketing providers that are materially involved in the development of content strategy would not fall within the “time or space” exception as interpreted by CFPB. Accordingly, digital marketing providers that are involved in the identification or selection of prospective customers or the selection or placement of content to affect consumer engagement, including purchase or adoption behavior, are typically service providers under the CFPA. The interpretive letter is effective **08/17/2022**. The interpretive letter may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-17/pdf/2022-17699.pdf>. *Federal Register*, Vol. 87, No. 158, 08/17/2022, 50556-50560.

### **CFPB Issues Circular Regarding Insufficient Data Protection for Consumer Information.**

CFPB published in the *Federal Register* its Consumer Financial Protection Circular 2022-04 titled, Insufficient Data Protection or Security for Sensitive Consumer Information. In the circular, CFPB responds to the question: Can entities violate the prohibition on unfair acts or practices in the Consumer Financial Protection Act (CFPA) when they have insufficient data protection or information security? CFPB released the circular on its website **08/11/2022**. The circular may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-06/pdf/2022-19075.pdf>. *Federal Register*, Vol. 87, No. 171, 09/06/2022, 54346-54349.

### **CFPB Extends Comment Period for Request of Information Regarding Employer-Driven Debt.**

CFPB announced the extension of the comment period for a request of information regarding employer-driven debt. On **06/09/2022**, CFPB issued a request for information seeking input on debt obligations incurred by consumers in the context of an employment or independent contractor arrangement. The request for information was published in the *Federal Register* on **06/17/2022**, and provided for a comment period that was set to expire **09/07/2022**. CFPB has determined that an extension of the comment period was appropriate. Comments are now due **09/23/2022**. CFPB intakes different forms of credit card data from credit card issuers, as required by the Truth in Lending Act and implementing regulations. - CFPB seeks comment regarding the extension of an information collection titled, Generic Information Collection Plan to Conduct Cognitive and Pilot Testing of Research Methods, Instruments, and Forms. Under the Dodd-Frank Act, CFPB is charged with researching, analyzing, and reporting on topics relating to CFPB's mission, including developments in markets for consumer financial products and services, consumer awareness, and consumer behavior. In order to improve its understanding of how consumers engage with financial markets, CFPB seeks to obtain approval for a generic information collection plan to conduct research to improve the quality of data collection by examining the effectiveness of data-collection procedures and processes, including potential psychological and cognitive issues. Comments are due **11/07/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-08/pdf/2022-19332.pdf>. *Federal Register*, Vol. 87, No. 173, 09/08/2022, 54982.

The final rule is effective **09/01/2022**. ### **FRB Announces Final Approval of Revision of Holding Company Financial Statement Information Collection.**

FRB announced the final approval of revisions to an information collection titled, Financial Statements for Holding Companies. The collection includes several forms as further described in the notice. FRB requires holding companies to provide standardized financial statements to fulfill FRB's statutory obligation to supervise these organizations. Financial data from the reporting forms are used to detect emerging financial problems to review

performance and conduct pre-inspection analysis, to monitor and evaluate capital adequacy, to evaluate holding company mergers and acquisitions, and to analyze a holding company's overall financial condition to ensure the safety and soundness of its operations. The information collection continues to be the primary source of financial data on holding companies that examiners rely on in the intervals between on-site inspections. Based upon the foregoing, the Receiver has determined that the continued existence of the receiverships will serve no useful purpose. Consequently, notice is given that the receiverships shall be terminated, to be effective no sooner than thirty days after the date of the notices. If any person wishes to comment concerning the termination of the receiverships, such comment must be made in writing, identify the receivership to which the comment pertains, and sent within thirty days of the date of the notice to: Federal Deposit Insurance Corporation, Division of Resolutions and Receiverships, Attention: Receivership Oversight Department 34.6, 1601 Bryan Street, Dallas, TX 75201. ### **FDIC Issues Notice to Correct Name of Consumer Response Center.**

FDIC issued a correction to a notice published in the *Federal Register* on **08/08/2022**, which made technical changes to the name of its Consumer Response Center. The previous notice corrected two regulations, the Fair Housing Rule and the Consumer Protection in Sales of Insurance Rule, to reflect a reorganization and change in the name of its former Consumer Response Center to the National Center for Consumer and Depositor Assistance. The document incorrectly listed the name of the National Center for Consumer and Depositor Assistance. The notice incorrectly listed "Deposit" instead of "Depositor" in reference to the center. The correction is effective **08/12/2022**. The correction may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-12/pdf/2022-17370.pdf>. *Federal Register*, Vol. 87, No. 155, 08/12/2022, 49767.

### **OCC Seeks Comment Regarding Information Collections.**

- The Office of the Comptroller of the Currency (OCC) seeks comment regarding an information collection titled, Assessment of Fees. OCC is authorized by the National Bank Act and the Home Owners Loan Act to collect assessments, fees, and other charges as necessary or appropriate to carry out the responsibilities of OCC. OCC requires independent credit card national banks and independent credit card federal savings associations (collectively, independent credit card institutions) to pay an additional assessment based on receivables attributable to accounts owned by the national bank or federal savings association. Independent credit card institutions are national banks or federal savings associations that engage primarily in credit card operations and are not affiliated with a full-service national bank or full-service federal savings association. Under 12 CFR 8.2(c)(2), OCC also has the authority to assess an independent credit card institution that is affiliated with a full-service national bank or full-service federal savings association if OCC concludes that the affiliation is intended to evade the requirements of 12 CFR part 8. OCC requires independent credit card institutions to report receivables attributable data to OCC semiannually or at a time specified by OCC. OCC uses the information to calculate the assessment for each national bank and federal savings association and adjust the assessment rate for independent credit card institutions over time. Comments are due **10/11/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-11/pdf/2022-17276.pdf>. *Federal Register*, Vol. 87, No. 154, 08/11/2022, 49651-49652.
- OCC seeks comment regarding an information collection titled, Financial Management-Interest Rate Risk. The information collection covers the recordkeeping burden for federal savings associations to maintain data in accordance with OCC's regulation on interest rate risk procedures, 12 CFR 163.176. To comply with the reporting requirement, institutions need to maintain sufficient records to document how their interest rate risk exposure is monitored and managed internally. Comments are due **10/11/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-12/pdf/2022-17323.pdf>. *Federal Register*, Vol. 87, No. 155, 08/12/2022, 49925-49926.

- OCC seeks comment regarding renewal of an information collection titled, Extensions of Credit to Insiders and Transactions with Affiliates. National banks and federal savings associations must comply with rules of the Board of Governors of the Federal Reserve System (FRB) regarding extensions of credit to insiders (Regulation O) and transactions with affiliates (Regulation W), which implement section 22 and sections 23A and 23B, respectively, of the Federal Reserve Act. 12 CFR part 31 addresses these transactions for national banks and federal savings associations. The information collection pertains to the requirements within the Regulations and Part 31. Comments are due **10/21/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-22/pdf/2022-18004.pdf>. *Federal Register*, Vol. 87, No. 161, 08/22/2022, 51487-51488.
- OCC seeks comment regarding renewal of an information collection titled, Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies and Diversity Self-Assessment Template for OCC-Regulated Entities. The information collection covers standards, pursuant to which OCC-regulated entities voluntarily self-assess their diversity policies and practices. OCC may use the information submitted to monitor progress and trends in the financial services industry regarding diversity and inclusion in employment and contracting activities and to identify and highlight diversity and inclusion policies and practices that have been successful. Comments are due **11/07/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-08/pdf/2022-19374.pdf>. *Federal Register*, Vol. 87, No. 173, 09/08/2022, 55082-55083.
- OCC seeks comment regarding revision of an information collection titled, Bank Secrecy Act/Money Laundering Risk Assessment. The information collection is also known as the Money Laundering Risk (MLR) System. The MLR System risk assessment is an important tool for OCC's Bank Secrecy Act/Anti-Money Laundering (BSA/AML) efforts and OFAC supervision activities because it allows OCC to better identify those institutions, and business activities within institutions, that may pose heightened risk and then allocate examination resources accordingly. The information collection also provides OCC with information regarding products or customers that may be experiencing difficulties or challenges maintaining banking services. MLR data assists banks' management of BSA/AML programs and provides a starting point for banks to develop their risk assessments. Comments are due **10/11/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-08/pdf/2022-19375.pdf>. *Federal Register*, Vol. 87, No. 173, 09/08/2022, 55083-55085.
- OCC seeks comment regarding the renewal of an information collection titled, Appraisals for Higher-Priced Mortgage Loans. The information collection relates to section 1471 of the Dodd-Frank Act, which added a new section 129H to the Truth in Lending Act establishing special appraisal requirements for "higher-risk mortgages." The information collection requirements are found in 12 CFR 34.203(c)(1), (c)(2), (d), (e) and (f). Comments are due **11/07/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-08/pdf/2022-19373.pdf>. *Federal Register*, Vol. 87, No. 173, 09/08/2022, 55086-55087.

### **FHFA to Establish Federal Advisory Committee on Affordable, Equitable, and Sustainable Housing.**

The Federal Housing Finance Agency (FHFA) announced its intent to establish a Federal Advisory Committee on Affordable, Equitable, and Sustainable Housing (Committee). The purpose of the Committee is to advise FHFA in the exercise of its oversight functions regarding affordable, equitable, and sustainable housing, including but not limited to: affordable, equitable, and sustainable housing needs; barriers to access; barriers to long-term sustainability; and any regulatory, guidance, or policy changes that may be necessary or beneficial to expand such housing. The Committee will focus on FHFA's regulated entities Fannie Mae, Freddie Mac, and the Federal Home Loan Banks. A charter has been prepared and will be filed at least 15 days following the date of publication of the announcement in the *Federal Register*. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-26/pdf/2022-18434.pdf>. *Federal Register*, Vol. 87, No. 165, 08/26/2022, 52556-52557.

### **FHFA Issues Multifamily Enterprise Housing Goals.**

FHFA issued a proposed rule regarding the multifamily housing goals for Fannie Mae and Freddie Mac (the Enterprises) for 2023 and 2024. The Federal Housing Enterprises Financial Safety and Soundness Act requires FHFA to establish annual housing goals for mortgages purchased by the Enterprises. Under FHFA's existing housing goals regulation, the multifamily housing goals for the Enterprises include benchmark levels through the end of 2022 based on the total number of affordable units in multifamily properties financed by mortgage loans purchased by the Enterprise each year. The proposed rule would amend the regulation to establish benchmark levels for the multifamily housing goals for 2023 and 2024 based on a new methodology, the percentage of affordable units in multifamily properties financed by mortgages purchased by the Enterprise each year. Comments are due **10/17/2022**. ### **FHFA Seeks Comment Regarding Information Collection for Community Support Requirements.**

FHFA seeks comment regarding an information collection titled, Community Support Requirements. The Federal Home Loan Bank System (System) consists of eleven regional Federal Home Loan Banks (Banks) and the Office of Finance, a joint office of the Banks that issues and services their debt securities. The Banks are wholesale financial institutions, organized under authority of the Federal Home Loan Bank Act (Bank Act) to serve the public interest by enhancing the availability of residential housing finance and community lending credit through their member

institutions and, to a limited extent, through eligible non-member “housing associates.” Each Bank is structured as a regional cooperative that is owned and controlled by member financial institutions located within its district, which are also its primary customers. Section 10(g)(1) of the Bank Act requires the Director of FHFA to promulgate regulations establishing standards of community investment or service that Bank member institutions must meet in order to maintain access to long-term advances. FHFA uses the information collection to determine whether Bank members satisfy the statutory and regulatory community support requirements, and to ensure that, as required by statute and regulation, only Bank members that meet those requirements maintain continued access to long-term Bank advances and to the Bank programs. Comments are due **10/18/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-19/pdf/2022-17938.pdf>. *Federal Register*, Vol. 87, No. 160, 08/19/2022, 51095-51098.

### **IRS Seeks Comment Regarding Golden Parachute Payment Information Collection.**

The Internal Revenue Service (IRS) seeks comment regarding an information collection titled, Golden Parachute Payments. The Golden Parachute Payment regulations deny a deduction for excess parachute payments. A parachute payment is payment compensation to a disqualified individual that is contingent on a change in ownership or control of a corporation. Certain payments, including payments from a small corporation, are exempt from the definition of parachute payment if certain requirements are met (such as shareholder approval and disclosure requirements). The information collection is used in connection with the regulation bearing its similar name. Comments are due **11/07/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-08/pdf/2022-19336.pdf>. *Federal Register*, Vol. 87, No. 173, 09/08/2022, 55087-55088.

### **OFAC Issues Revised Cyber-Related Sanctions Regulations.**

The Office of Foreign Assets Control (OFAC) issued a final rule to amend the Cyber-Related Sanctions Regulations, to reissue the regulations in their entirety to further implement a 2015 cyber-related executive order, as amended, as well as certain provisions of the Countering America’s Adversaries Through Sanctions Act. The final rule replaces the regulations that were published in abbreviated form in 2015, and includes additional interpretive guidance and definitions, general licenses, and other regulatory provisions that will provide further guidance. Due to the number of regulatory sections that have been updated or added, OFAC has reissued the Cyber-Related Sanctions Regulations in their entirety. The final rule is effective **09/06/2022**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-06/pdf/2022-19138.pdf>. *Federal Register*, Vol. 87, No. 171, 09/06/2022, 54373-54385.

The change described in the notice has been made to cover the estimated cost of the timely payment guaranty for newly formed SBA 7(a) loan pools. The change will be incorporated, as needed, into the SBA Secondary Market Program Guide and all other appropriate SBA Secondary Market documents. The change will apply to SBA 7(a) loan pools with an issue date on or after **10/01/2022**. ### **SBA Proposes Changes to Ownership and Control Requirements for 8(a) Business Development Program.**

SBA issued a proposed rule that would make several changes to the ownership and control requirements for the 8(a) Business Development (BD) program, including recognizing a process for allowing a change of ownership for a former participant that is still performing one or more 8(a) contracts and permitting an individual to own an applicant or participant where the individual can demonstrate that financial obligations have been settled and discharged by the federal government. The rule also proposes to make several changes relating to 8(a) contracts, including to clarify that a contracting officer cannot limit an 8(a) competition to participants having more than one certification and to clarify the rules pertaining to issuing sole source 8(a) orders under an 8(a) multiple award contract. The proposed rule would also make revisions to incorporate changes to SBA's other government contracting programs, including changes to implement a statutory amendment from the National Defense Authorization Act for Fiscal Year 2022, include blanket purchase agreements in the list of contracting vehicles that are covered by the definitions of consolidation and bundling, and more clearly specify the requirements relating to waivers of the nonmanufacturer rule. The Rural Housing Service (RHS) issued a final rule to implement changes to the Single-Family Housing Guaranteed Loan Program (SFHGLP) to update the requirements for: federally-supervised lenders; minimum net worth and experience for non-supervised lenders; approved lender participation; handling of applicants with delinquent child support payments; and builder credit. ### **RHS Announces New Lease-Up Reserve Calculation.**

RHS announced a change in the Lease-Up Reserve calculation for Section 538 Guaranteed Rural Rental Housing Program (GRRHP). The purpose of GRRHP is to increase the supply of affordable rural rental housing, using loan guarantees that encourage partnerships between RHS, private lenders, and public agencies. As a condition to making the loan, RHS Section 538 GRRHP may require borrowers to establish a lease-up reserve account to help pay operating costs and debt service costs at the initiation of operations while units are being leased to their initial occupants. It is an additional amount (cash deposit), over and above the required initial operating and maintenance contribution. The rationale for the new calculation, and the new calculation itself may be viewed in the notice. The new calculation is effective **09/06/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-06/pdf/2022-19019.pdf>. *Federal Register*, Vol. 87, No. 171, 09/06/2022, 54452.

### **Agencies Propose to Amend Reporting Requirements under Form PF.**

The Commodity Futures Trading Commission (CFTC) and Securities and Exchange Commission (SEC) (collectively, the agencies) propose to amend Form PF, the confidential reporting form for certain SEC-registered investment advisers to private funds, including those that also are registered with CFTC as a commodity pool operator or commodity trading adviser. The amendments are designed to enhance the Financial Stability Oversight Council's (FSOC's) ability to monitor systemic risk as well as bolster SEC's regulatory oversight of private fund advisers and investor protection efforts. In connection with the amendments to Form PF, SEC has proposed to amend a rule under the Investment Advisers Act to revise instructions for requesting a temporary hardship exemption. The agencies also seek comment on a number of alternatives, including whether certain possible changes to the proposal should apply to Form ADV. The agencies also issued a correction to the proposed rule; page 53900, second column, amendatory instruction 4 has been corrected. Comments are due **10/11/2022**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-01/pdf/2022-17724.pdf>. *Federal Register*, Vol. 87,

### **CFTC Issues Final Rule on Clearing Requirement Determination to Account for Transition from LIBOR.**

The Commodity Futures Trading Commission (CFTC) issued a final rule to modify existing interest rate swap clearing requirement regulations under applicable provisions of the Commodity Exchange Act (CEA) due to the global transition from reliance on certain interbank offered rates (IBORs) (e.g., the London Interbank Offered Rate (LIBOR)) that have been, or will be, discontinued as benchmark reference rates to alternative reference rates, which are predominantly overnight, nearly risk-free reference rates (RFRs). The amendments update the set of interest rate swaps that are required to be submitted for clearing pursuant to CEA and CFTC's regulations to a derivatives clearing organization (DCO) that is registered under CEA or a DCO that has been exempted from registration under CEA to reflect the market shift away from swaps that reference IBORs to swaps that reference RFRs. The final rule is effective **09/23/2022**, except for amendatory instructions 3 and 5, which are effective **07/01/2023**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-24/pdf/2022-17736.pdf>. *Federal Register*, Vol. 87, No. 163, 08/24/2022, 52182-52221.

### **CFTC Proposes Governance Requirements for DCOs.**

CFTC proposed amendments to require derivatives clearing organizations (DCOs) to establish and consult with one or more risk management committees (RMCs) comprised of clearing members and customers of clearing members on matters that could materially affect the risk profile of the DCO. In addition, CFTC proposed to establish minimum requirements for RMC composition and rotation and requiring DCOs to establish and enforce fitness standards for RMC members. CFTC also proposed requiring DCOs to maintain written policies and procedures governing the RMC consultation process and the role of RMC members. Finally, CFTC proposed to require DCOs to establish one or more market participant risk advisory working groups (RWGs) that must convene at least quarterly, and adopt written policies and procedures related to the formation and role of the RWG. Comments are due **10/11/2022**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-11/pdf/2022-16683.pdf>. *Federal Register*, Vol. 87, No. 154, 08/11/2022, 49559-49568.

### **SEC Issues Final Whistleblower Program Rule.**

The Securities and Exchange Commission (SEC) adopted amendments to rules which implement the whistleblower program. Section 21F of the Securities Exchange Act and SEC's implementing rules provide that SEC shall pay an award to eligible whistleblowers who voluntarily provide SEC with original information about a violation of the federal securities laws that lead to the successful enforcement of a covered judicial or administrative action or a non-SEC related action. The amendments: expand the scope of related actions eligible for an award under SEC's whistleblower program; clarify that SEC may use its statutory authority under Section 21F to consider the dollar amount of a potential award to increase an award but provide that SEC will not use any statutory authority it might have to decrease the amount of an award; and make several conforming changes and technical corrections. The final rule is effective **10/03/2022**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-02/pdf/2022-18842.pdf>. *Federal Register*, Vol. 87, No. 170, 09/02/2022, 54140-54152.

Section 14(i) directs SEC to adopt rules requiring registrants to provide disclosure of pay versus performance. The disclosure is required in proxy or information statements in which executive compensation disclosure is required. The disclosure requirements do not apply to emerging growth companies, registered investment companies, or foreign private issuers. The final rule is effective **10/11/2022**. Companies (other than emerging growth companies, registered investment companies, or foreign private issuers) must begin to comply with the disclosure requirements in proxy and information statements that are required to include Item 402 of Regulation S-K (as defined in the final rule) disclosure for fiscal years ending on or after

**12/16/2022.** The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-08/pdf/2022-18771.pdf>. *Federal Register*, Vol. 87, No. 173, 09/08/2022, 55134-55197.

### **SEC Issues Order that FINRA May Access Certain Security-Based Swap Data.**

SEC issued an order pursuant to section 13(n)(5)(G)(v) of the Securities Exchange Act and rule 13n-4(b)(9)(x) determining that it would be appropriate to require security-based swap data repositories to make security-based swap data available to Financial Industry Regulatory Authority (FINRA). As a result of the order, FINRA may access security-based swap data obtained by security-based swap data repositories. Such access is conditioned on there being in effect an arrangement between SEC and FINRA to address the confidentiality of the security-based swap information made available to FINRA. Such access further is conditioned on FINRA developing and implementing special handling guidelines as described in the order, following consultation with SEC staff, to promote the confidentiality afforded to the security-based swap data, prior to FINRA accessing the data. The order is effective **09/16/2022**. The order may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-17/pdf/2022-17641.pdf>. *Federal Register*, Vol. 87, No. 158, 08/17/2022, 50655-50657.

### **SEC Issues Orders FY 2023 Annual Adjustments to Registration Fee Rates.**

SEC issued an order to make fiscal year (FY) 2023 annual adjustments to registration fee rates. SEC collects fees under various provisions of the securities laws. Section 6(b) of the Securities Act requires SEC to collect fees from issuers on the registration of securities. Section 13(e) of the Securities Exchange Act requires SEC to collect fees on specified repurchases of securities. Section 14(g) of the Exchange Act requires SEC to collect fees on specified proxy solicitations and statements in corporate control transactions. These provisions require SEC to make annual adjustments to the applicable fee rates. See the order for the specific fees. The FY 2023 annual adjustments to the fee rates are effective **10/01/2022**. The order may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-30/pdf/2022-18668.pdf>. *Federal Register*, Vol. 87, No. 167, 08/30/2022, 53030-53038.

### **SEC Proposes to Exempt Certain Exchange Members.**

SEC issued a proposed rule to amend a rule under the Securities Exchange Act that exempts certain registered brokers or dealers from membership in a registered national securities association (Association). The proposed amendments would replace the rule's de minimis allowance, including the exclusion therefrom for proprietary trading, with narrower exemptions from Association membership for any registered broker or dealer that is a member of a national securities exchange, carries no customer accounts, and effects transactions in securities otherwise than on a national securities exchange of which it is a member. The proposed amendments would create exemptions for such a registered broker or dealer that effects transactions off an exchange of which it is a member that result solely from orders that are routed by a national securities exchange of which it is a member to comply with order protection regulatory requirements, or are solely for the purpose of executing the stock leg of a stock-option order. Comments are due **09/27/2022**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-12/pdf/2022-16711.pdf>. *Federal Register*, Vol. 87, No. 155, 08/12/2022, 49930-49973.

SEC seeks comment on its draft 2022-2026 Strategic Plan. The strategic plan includes a draft of the SEC's mission, vision, values, strategic goals, and planned initiatives. Comments are due **09/29/2022**. The draft strategic plan may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-30/pdf/2022-18582.pdf>. *Federal Register*, Vol. 87, No. 167, 08/30/2022, 53040.

### **FTC Updates Do-Not-Call Registry Fees.**

The Federal Trade Commission (FTC) issued a final rule to update the fees charged to entities accessing the National Do-Not-Call Registry (the Registry) as required by the Do-Not-Call Registry Fee Extension Act (Act). To comply with the Act, SEC has updated the fees entities are charged for accessing the Registry as follows: the revised

rule increases the annual fee for access to the Registry for each area code of data from \$69 to \$75 per area code; and increases the maximum amount that will be charged to any single entity for accessing area codes of data from \$19,017 to \$20,740. Entities may add area codes during the second six months of the annual subscription period and the fee for those additional area codes increases from \$35 to \$38. The final rule is effective **10/01/2022**. ## **EBSA Issues Interpretive Bulletin Related to Independence of Employee Benefit Plan Accountants.**

The Employee Benefits Security Administration (EBSA) issued a final rule which contains an Interpretive Bulletin (IB) which sets forth guidelines for determining when a qualified public accountant is independent for purposes of auditing and rendering an opinion on the financial statements required to be included in the annual report filed with the Department of Labor (DOL) under the Employee Retirement Income Security Act, as amended (ERISA). Under ERISA, a plan administrator is generally required to retain, on behalf of all plan participants, an “independent qualified public accountant” to conduct an annual examination of the plan’s financial statements and to render an opinion as to whether the financial statements are presented fairly in conformity with generally accepted accounting principles (GAAP) and whether the schedules required to be included in the plan’s annual report present fairly, and in all material respects the information contained therein when considered in conjunction with the financial statements taken as a whole. The purpose of the final rule is to revise and restate an interpretive bulletin DOL issued in 1975 on accountant independence in order to remove certain outdated and unnecessarily restrictive provisions and reorganize its provisions for clarity while continuing to ensure that DOL’s interpretations foster proper auditor independence and access of employee benefit plan to highly qualified auditors and audit firms. The final rule is effective **09/06/2022**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-06/pdf/2022-18898.pdf>. *Federal Register*, Vol. 87, No. 171, 09/06/2022, 54368-54373.

## **NLRB Issues Proposed Standard for Determining Joint-Employer Status.**

The National Labor Relations Board (NLRB) issued a proposed rule to rescind and replace the final rule titled, Joint Employer Status Under the National Labor Relations Act, which was published on **02/26/2020**, and took effect **04/27/2020**. The proposed rule would revise the standard for determining whether two employers, as defined in section 2(2) of the National Labor Relations Act, are joint employers of particular employees within the meaning of section 2(3) of the Act. The proposed changes are designed to explicitly ground the joint-employer standard in established common-law NLRB principles and provide relevant guidance to parties covered by the Act regarding their rights and responsibilities when more than one statutory employer possesses the authority to control or exercises the power to control particular employees’ essential terms and conditions of employment. Comments are due **11/07/2022**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-09-07/pdf/2022-19181.pdf>. *Federal Register*, Vol. 87, No. 172, 09/07/2022, 54641-54663.

## **NCUA Seeks Comment Regarding Bank Conversions and Mergers Information Collection.**

The National Credit Union Administration (NCUA) seeks comment on an information collection titled, Bank Conversions and Mergers. Part 708a of NCUA’s Rules and Regulations covers the conversion of federally-insured credit unions (credit unions) to mutual savings banks (MSBs) and mergers of credit unions into both mutual and stock banks (banks). Part 708a requires credit unions that intend to convert to MSBs or merge into banks to provide notice and disclosure of their intent to convert or merge to their members and NCUA, and to conduct a membership vote. In addition, Subpart C requires credit unions that intend to merge into banks to determine the merger value of the credit union. The information collection allows NCUA to ensure compliance with statutory and regulatory requirements for conversions and mergers and ensures that members of credit unions have sufficient and accurate information to exercise an informed vote concerning a proposed conversion or merger. Comments are due **10/31/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-30/pdf/2022-18629.pdf>. *Federal Register*, Vol. 87, No. 167, 08/30/2022, 53022.

## **NCUA Seeks Comment Regarding Borrowed Funds from Natural Persons and Corporate Credit Unions Information Collections.**

NCUA seeks comment on the extension of two information collections. The first collection identified in the notice is titled, Borrowed Funds from Natural Persons. Section 701.38 of NCUA regulations grants federal credit unions the authority to borrow funds from a natural person as long as they maintain a signed promissory note which includes the terms and conditions of maturity, repayment, interest rate, method of computation and method of payment; and the promissory note and any advertisements for borrowing have clearly visible language stating that the note represents money borrowed by the credit union and does not represent shares and is not insured by the National Credit Union Insurance Fund (NCUSIF). The information collected is used to ensure a credit union’s natural person borrowings are in compliance and address all regulatory and safety and soundness requirements. The second information collection is titled, Corporate Credit Union. Part 704 of NCUA’s regulations established the regulatory framework for corporate credit unions. The collection of information is necessary to ensure that corporate credit unions operate in a safe and sound manner by limiting risk to their natural person credit union members and NCUSIF. Comments are due **09/29/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2022-08-30/pdf/2022-18633.pdf>. *Federal Register*, Vol. 87, No. 167, 08/30/2022, 53022-53023.
