About the Graduate School of Banking

Since 1945, the Graduate School of Banking at the University of Wisconsin-Madison (GSB) has developed banking leaders through a rigorous academic program designed especially for experienced bankers. GSB is sponsored and governed by the Central States Conference of Bankers Associations in partnership with the University of Wisconsin-Madison. By relying on its alumni, Banker Advisory Board and Academic Committee, GSB creates an unparalleled learning and networking experience that has been the school of choice for more than 23,000 bankers.

Led by GSB's talented and knowledgeable faculty, the 25-month GSB program is held in two-week sessions over three summers and features a comprehensive core of relevant bank leadership courses across all areas of banking – finance, technology, marketing, management and more. A wide range of electives allows participants to tailor their educational program. The curriculum is enhanced by FiSim, GSB's robust bank management simulation, and in-depth intersession assignments that allow students to use learned concepts to improve their own institutions, adding relevance and value.
